British Press Hits U.S. Talk

Criticism On Economy Irks Britons

London, Aug. 20—(AP)—The steady lashing from some sections of American public opinion raised welts on the British hide today. The result: Supporters of the Labor government struck back, independent organs showed a flash of injured national pride, the conservative press protested.

The stream of suggestions that Britain would need less dollar help from the U.S. if she would do more to help herself, gave rise to this headline in the Sunday pictorial, a pro-Labor tabloid which claims 5,000,000 circulation:

"We British are tired of Yankee insults."

Hits 'Sneering' At Britain
Emanuel Shinnell, minister of war, in a speech at Aspatia declared it was time that the American and other critics quit "sneering" at Britain.

"Now, when we have almost exhausted ourselves in six years of war and find ourselves in a grave economic position, our magnificent efforts in the past are overlooked," he complained.

From the British point of view the criticism from abroad couldn't come at a worse time. U.S. British and Canadian officials will go into a huddle in Washington Sept. 6 to see whether they can find a lasting cure for Britain's dollar shortage.

The British have been hoping for decisions reached in an atmosphere of sympathetic understanding. The sharp criticism makes them wince.

The Sunday pictorial printed a cartoon in which a slovenly, bowery bum of a John Bull stands in front of a bar room labeled "Socialist saloon" holding out a tin cup to Uncle Sam.

Cartoon Stings
"This insulting cartoon—typical of hundreds of others on the same theme—has just appeared in the American press," said the pictorial's caption.

The pictorial said the cartoon was from the Memphis (Tenn.) commercial appeal. It did not give the date.

In an article the tabloid commented that "it is fair to say that the British are ailed." In fact, we're damned ailed.

During the past few weeks it has been impossible to pick up a newspaper without reading onslaughts against this country, its political leaders, and its people. Our traducers have not stopped short of downright lies.

"Let's get this clear—we're going to run our own country in our own British way," declared the pictorial.

Cites U.S. Press Remarks
The pictorial took special offense at six other recent examples of American press criticism.

It cited the gibe of the New York Daily News that "the old British backbone is turning to putty."

It cited an editorial in the news saying "let's write Britain off."

It quoted "A Chicago Journal" as telling its readers, "Here's that beggar again."

It passed along the New York Mirror's statement that "fervently trusts" the British won't have "an easy time of it" in the Washington dollar talks.

It said E. T. Leach, who signed a series for the Scripps-Howard news, papers, wrote with a "poison pen."

It reported that the Wall Street Journal had described Sir Stafford Cripps, Chancellor of the Exchequer, as one of "Hitler's heirs."

Says Illinois Farms Using Electricity Increased 7 Times

Steeleville, Ill., Aug. 20—(AP)—U.S. Senator Paul H. Douglas (D-Ill.) said today that the number of Illinois farms using electricity has increased "seven-fold" in the last 13 years.

Speaking before a conference of rural electrical cooperatives, Sen. Douglas credited the Rural Electrification Administration (REA) for the spread of power to the state's farms.

"Before the REA was set up in 1936," he said, "only 12.3 per cent of Illinois farms had electricity. Today, 84.2 per cent have it. REA's share in this great growth is a double one. For its own part, it put up 33,788 miles of wire to serve 102,611 Illinois farm families. It has also served to prod private power companies into extending their services into regions they once ignored."

EAST ST. LOUIS GETS DIAL PHONE SERVICE

East St. Louis, Ill., Aug. 20—(AP)—Dial telephone service will begin in East St. Louis at midnight tonight. The new equipment, which cost an estimated \$6,500,000, will replace one of the largest manual switchboards in the nation.

The system here is operated by the Southwestern Bell Telephone company.

Russia Warns Tito To Protect Rights Of Soviets In Yugo

Moscow, Aug. 20—(AP)—Russia warned Premier Marshal Tito today it is prepared to take "effective measures" to protect the rights of Russian citizens now living in Yugoslavia.

In a stern note to the Belgrade government, Russia also threatened to "bring to account" any persons found to be persecuting Soviet citizens in the big Balkan country. Just what these measures would be was not specified.

The Soviet note, broadcast over the Moscow radio, charged Tito's government has tried to evade previous charges of "gross arbitrary rule and brutal repression against Soviet citizens." Last week Russia called Yugoslavia an enemy of the U.S.S.R. The note referred to white Russians now living in Yugoslavia.

The new charges were sent to Belgrade on Aug. 18. It was another in a series of recent bitter diplomatic exchanges between Russia and her former Yugoslav ally. Russia originally protested arrests of the citizens in a note on July 25.

Holds Brake Down 15 Minutes As Car Heads For Cliff

Washington, Aug. 20—(AP)—Master Sgt. Roy E. Goodwin, 26, dozed momentarily at the wheel of his automobile early today.

When he came to his car was going down a steep hill toward a 50 foot drop into an abandoned quarry off the suburban Sultland road.

He slammed on the brakes. The car stopped, remained motionless for a bit and then began to slide slowly forward, with wheels locked, on dew-wet grass.

For 15 minutes Sgt. Goodwin, stationed at Andrews airforce base, sat at the wheel, pressing with all his strength on the foot brake as the car inched toward the quarry edge.

He was afraid to try to put the car in reverse gear and back out for fear the wheels would spin on the damp grass.

Finally a park police cruiser happened along.

"Get me out of here," pleaded Sgt. Goodwin. "I can't press on this brake much longer."

The policemen wheeled their car into place behind the soldier's, which had slipped another three feet in the meantime.

They lashed the bumpers of the two cars together with a short piece of rope, while one of the two officers in the patrol car telephoned for more help.

The Morningside, Md. fire department pulled the two cars back onto the highway.

Sgt. Goodwin's car was within one foot of the cliff's edge when it was finally brought back to safety.

Air Force Denies Crafts Found In Barn Are Saucers

Washington, Aug. 20—(AP)—The secret of what the flying saucers might come from is still a secret, so far as the U.S. Air Force is concerned.

It decided today that two experimental aircraft found in a Maryland barn "have absolutely no connection with the reported phenomena of flying saucers."

Less than 24 hours earlier, however, an air force spokesman had said there was a "good chance" that the two weird devices found near Glen Burnie, Md., might be prototypes or forerunners of the flying saucers or discs.

Then today the air force ruled them out of the picture.

The experimental craft, one of which had a rotating disc and propeller blades, and the other a tub-like contraption, apparently were devised by Jonathan E. Caldwell.

He disappeared in the winter of 1940 from the Maryland farm where he had been conducting experiments, and hasn't been heard from since.

The three-wheeled chair, equipped with a motor and a hand crank, weighs 200 pounds and will do 20 miles an hour.

The vehicle, a familiar sight on Salt Lake City streets, already has gone 2,500 miles.

Pajden's itinerary will take him through Salt Lake City and Chicago to New York City.

Gusty Winds Are Spreading Three Idaho Forest Fires

McCall, Idaho, Aug. 20—(AP)—Gusty winds sent three Payette National Forest blazes whipping over fire lines tonight.

One of the blazes may become a "real big fire," John Mathews, forest supervisor, said.

He added it may develop into a blaze as large as the 5,000 acre fire controlled this past week in the forest.

About 550 men are struggling to halt the flames.

The worst fire, Mathews said, is in Hell's Canyon on the Snake river. The 7,400-foot gorge is deeper than Arizona's Grand Canyon.

Report Finnish Red Strike Offensive Is Losing Force

Helsinki, Finland, Aug. 20—(AP)—The nationwide communist strike offensive showed signs of weakening today.

Workers in many areas returned to their jobs. A major split developed in the powerful central trade union federation.

The social democratic government of Premier Karl August Fagerholm, however, remained on guard. It kept its army and police forces on an alert.

The government called the wave of strikes a communist maneuver to seize power and seat a Red regime in Helsinki.

Helsinki authorities promised to send the communists into a crushing defeat. Soon after trouble began Thursday the government struck back by arresting communist leaders in several regions.

In neighboring Sweden informed sources described the strike action as the most carefully-planned communist bid for power in Finland since the war.

The Soviet-controlled press in Moscow continued to call the Helsinki government's action against the strikers a "bloody suppression of Finnish workers."

Finland, under fire from Moscow for some time, is the only nation on Russia's western doorstep with a non-communist government.

In the third day of the labor crisis the ministry of finance opened a propaganda campaign against communist strikers.

Newspaper advertisements warned workers not to heed strike calls and posters attacking the communists were tacked up in the streets.

Apparently determined to fight on, the communists rushed a letter to President Juho Paasikivi charging the strikers' constitutional rights were violated when police dispersed a crowd of workers in Kemi two days ago.

Polio Surges Higher In U.S.

Polio Increase Is Highest In Illinois During Last Week

Springfield, Ill., Aug. 20—(AP)—The week ended today was the worst in Illinois for polio.

Seventy-seven new polio cases reported today to the state health department raised the total for the week to 348 and for 1949 thus far to 1,235. Thirty-three of the state's 102 counties were heard from.

The heaviest previous weekly incidence came during the seven days from Aug. 7 through 13. Cases in that period numbered 298.

The official count on polio deaths stayed at 82, the same as Friday. However, the department's fatality list did not include the name of Versie Shannon, 6, of Brookport, who died last night at the state emergency polio center in Centuria.

Report Nationals Throwing Strong Forces At Commies

Canton, China, Aug. 20—(AP)—The Chinese nationalists were credibly reported today to be throwing strong reinforcements into the path of the communist advance about 170 miles northeast of Canton.

At the same time it appeared that the nationalists had scored a genuine victory on the front 310 miles northwest of Canton.

Chinese press dispatches said the nationalist reinforcements had gone into the Tayu and Siaomei mountain region along the north border of Kwangtung province, of which Canton is the seat. This area faces the town of Tayu, which the Reds took two days ago.

Reliable independent sources meanwhile confirmed government reports of the past couple of days that Gen. Pai Chung-Hsi's defense forces had defeated the communists' 51st army northwest of Hengyang.

'Ghost' In Ohio Town Draws Many People Each Night

Youngstown, O., Aug. 20—(AP)—Youngstown woe-striders planned to come out again tonight to get a glimpse of the west side "ghost," which has been drawing crowds to the area for several nights.

The apparition was variously described as the size of a handkerchief or a pillow case, but several persons who have "seen" it are convinced the neighborhood is haunted.

Here is how John Bralish puts it: "I saw it Tuesday night. It started low in the ravine and went up to the tops of bushes and trees and then glided across to the other side. Lots of others saw it. I know one thing. I don't want to mess with it."

Word soon got around to some men passing time in a near-by tavern. They went out to investigate and saw the "thing" prancing around the billboard and floating to the top. Several set out on the chase. When they caught up to it, the "thing" disappeared into thin air. One man reported back to the tavern with a bloodied nose and sprained wrist. Reports vary on how the injuries were suffered. Some of the more credulous neighbors say the ghost delivered the blows in anger. Others say the fellow ran into a tree.

Waitress Gives Man Meal; Later He Pilfers Home

Washington, Aug. 20—(AP)—One good turn deserves something better than what happened today to Mrs. Sarah E. Whittaker, a waitress.

A stranger entered the restaurant where she worked. Gave her a hard luck story. He was broke, hungry.

She served him a \$1.35 meal. Then gave him the money from her purse to pay the check. "You'll get paid back double," he promised, gratefully.

Later she went home. And while she was washing her hair in the bathroom, the apartment was ransacked.

Back to the restaurant she went to telephone police and report the theft of \$11 and \$36 worth of jewelry and clothing.

Then, with an escort, she headed home again only to spot the man she had befriended. He was wearing a yellow sports shirt which belonged to her husband.

Police nabbed him, recovered the missing money and clothing.

Says Ford Workers Will Not Strike For Week Or Two

Detroit, Aug. 20—(AP)—Don't look for a Ford strike for another week or two at least. The odds favor a continuation of the "cold war" on the automotive labor front.

CIO strategy apparently calls for the auto workers to lie low for quite a while yet.

Here's why, according to labor and industry dopesters:

The three-man panel studying a similar dispute in the steel industry presumably won't report to President Truman before Sept. 1 at the earliest.

Until then—barring a leak—neither Ford nor the CIO United Auto Workers will know what that panel will recommend.

If it comes out for pensions or a substantial wage boost for steel workers it would materially bolster the UAW's cause as well. It might even win union demands in the auto industry without a major strike.

DIES OF POLIO
Galesburg, Ill., Aug. 20—(AP)—Frank Bowman, 34, of Galesburg, died tonight of infantile paralysis. He was Knox county's seventh polio victim this season.

Number Of Victims Nears 16,000

By The Associated Press
Continuing its baffling ways, infantile paralysis took a sharp jump throughout the nation this week. The totals continued well ahead of the near record year—1948.

The rate of increase leveled off earlier this month—usually the worst for the nation. Only 3,100 new cases were reported the first nine days of August. But a sudden mid-month spurt shot the number of new cases up to nearly 5,000 for the next 9 day period.

An Associated Press survey showed today that more than 15,500 persons have caught the disease so far this year across the nation. This is more than half the 30,000 cases recorded for the entire year 1916, worst in the nation's history.

No Uniform Pattern
The survey indicated there is no pattern on how the disease is behaving.

Some large cities like New York and Boston have been hard hit, with the smaller communities and rural areas faring much better. But Chicago and Philadelphia are in much better shape than areas in other parts of those states.

The only steady declines have been reported in some southern states, where the season starts earlier, but not all these are showing a decrease.

Polio still is climbing in Arizona. Yet far to the north the rate is holding steady in Minnesota and Maine.

Nevada is experiencing a light season, with only 18 cases to date. Yet Nevada health authorities have their fingers crossed, hoping this "summer" affliction will not follow its 1948 pattern there. Most of the state's 22 cases last year occurred in the fall and winter months.

Peak Not Expected
Some heavy population areas do not expect to reach the peak of the disease until late September. These include Pennsylvania, Illinois and Wisconsin.

Four states—probably five—are now beyond the 1,000 mark. New York passed Texas in mid-August to lead the nation with 1,837 cases. Texas was second with 1,448, followed by Illinois with 1,120 and California with 1,065. Michigan had 997 cases through Aug. 18.

At the present stage of the disease, nationally, only one person in each 10,000 has been afflicted. Of those ill, the American medical association says, about 50 per cent will suffer no permanent crippling. About 25 per cent will be mildly crippled and 15 per cent severely crippled. From five to 10 per cent will die.

In only three states—Indiana, Kentucky and Maryland—is the reported death rate running 10 per cent or higher.

The disease reached the epidemic stage in North Dakota and health authorities there said nurses were urgently needed.

The annual baby health contest was cancelled at the Iowa State Fair as a preventive measure.

Records of the national office of vital statistics show 8,430 cases were reported through Aug. 13 last year. The 1948 total of 27,680 was topped only by the record year 1916.

Two Small Boys Die Of Burns In Fire They Started

Waterloo, Ia., Aug. 20—(AP)—Two small boys were burned to death today in a fire their sister said they started while playing with matches.

The boys were Roman, 6, and Francis, 5, sons of Mr. and Mrs. Joe G. Wingert who live eight miles east of here on a farm.

The Wingerts were away from home and an older sister, Louella, 16, had been left to take care of the boys.

Louella gave this version of the tragedy:

The girl saw her two brothers playing with matches and scolded them for it. The boys ran away from the house, but later returned and started playing in a toolshed.

A few minutes later the boys called Louella and said they had set a gasoline can afire in the shed.

State Of Emergency Declared In Chile

Santiago, Chile, Aug. 20—(AP)—The government decreed a state of emergency throughout Chile today, sending troops and naval units into strident provinces where it said communist-led strikes had flared.

One mine was reported seized by 5,000 strikers. At another miners threatened resistance if troops were sent in.

China Red Internal Affairs Reported Not So Favorable

Shanghai, Aug. 20—(AP)—While Red armies roll south and the western nations seek new China policies, the communists inside conquered areas are up to their necks in troubles.

China always has been more easily conquered than digested, as the Reds now are learning.

Two months ago the civil war seemed near an end. Now the Reds themselves are talking in terms of another year of fighting despite their current successes.

Experts disagree on the seriousness of the communists' internal problems.

Gen. Chen Yi, military mayor of Shanghai, says they are merely the early difficulties of victory. Others think a crisis is rising which might imperil the revolution and undermine communism in all Asia.

This extreme view is not yet justified—but it may be justified if the paralyzed industrial cities.

2 New Drugs Show Promise Of Curing Rheumatic Pains

Washington, Aug. 20—(AP)—Plant seeds in Africa, hogs in a Chicago stockyard and ox-bile in a Rahway, N.J., laboratory are figuring in one of medicine's newest and most dramatic stories.

It is the story of two substances which have shown remarkable promise for the treatment of rheumatoid arthritis and of rheumatic fever. The substances are called "cortisone" and "acth," the latter being a short name for "adrenocorticotrophic hormone."

But they are extremely scarce. Moreover, even if some means should be found to furnish large supplies, scientists would not release them for general use by doctors until it is fully established that they are safe.

Right now, investigations are underway in laboratories in various parts of the country, designed to learn more about the nature and action of the substances and to study possible untoward effects.

During these investigations, a small number of the nation's 7,000,000 arthritis sufferers will receive treatment under rigidly-controlled scientific conditions. So will a few cases among the estimated 180,000 persons suffering from acute rheumatic fever.

Wonder If Truman Taking Hand In Farm Bill Battle

Washington, Aug. 20—(AP)—Senators wondered today if President Truman is taking a hand in a heated dispute among Democrats over the federal farm program for next year.

They said that Senator Anderson (D-NM), former secretary of agriculture and sponsor of a compromise senate farm price-support bill, was one of the unidentified guests along for a weekend yacht trip with the President.

Meanwhile Chairman Elmer Thomas (D-Okla.) of the senate agriculture committee who came out yesterday against the Anderson bill, unexpectedly called for testimony on it Monday.

Thomas sent out telegrams today inviting heads of major farm organizations and three top labor leaders—William Green of the AFL, Philip Murray of the CIO and John L. Lewis of the mine workers—to tell senators what they think of the Anderson compromise.

To Build Chapel At State Training School For Boys

Springfield, Ill., Aug. 20—(AP)—Director Fred K. Hoehler of the State Welfare department today announced plans for building an all-faith chapel at the Illinois Training School for Boys at St. Charles.

The proposed edifice will be the first of its kind at St. Charles. The money to erect it will come from a \$275,000 emergency appropriation by the 1949 legislature. The funds were allotted after a fire last February destroyed an academic building at the institution. The burned structure housed a Catholic chapel as well as classrooms.

Hoehler said the all-faith chapel would give new impetus to the religious phase of rehabilitation work at St. Charles. He said the proposed building will be equipped for Catholic and all types of Protestant services. Two audio-visual aid rooms fitted for projection of religious education films are planned, Hoehler said.

Currently, there are about 450 delinquent, neglected or dependent children at St. Charles.

DIES AFTER FALL
Moline, Ill., Aug. 20—(AP)—Henry E. Ralston, 85, a pioneer farm implement salesman, was fatally injured today in a 12-foot fall from the second story of his home. He toppled from a porch on which he was doing some repair work.

China Red Internal Affairs Reported Not So Favorable

Shanghai, Aug. 20—(AP)—While Red armies roll south and the western nations seek new China policies, the communists inside conquered areas are up to their necks in troubles.

China always has been more easily conquered than digested, as the Reds now are learning.

Two months ago the civil war seemed near an end. Now the Reds themselves are talking in terms of another year of fighting despite their current successes.

Experts disagree on the seriousness of the communists' internal problems.

Gen. Chen Yi, military mayor of Shanghai, says they are merely the early difficulties of victory. Others think a crisis is rising which might imperil the revolution and undermine communism in all Asia.

New Berlin Crack-Up

A flattened radiator, burst tire, and swinging door, tell the story of damage to a 1937 Chevrolet automobile in a wreck early Friday morning on U. S. Route 36 at New Berlin. The driver, Bill Cooney of New Berlin, escaped injury despite extensive damage to his car. Cooney's car and

COMMUNICATIONS

To the Editors, Jacksonville Journal Courier:

There is in this city at the present time a petition being circulated against a kind and friendly man who has done no one any harm. This petition requests that the man be forced to leave his home and his livelihood; the complaints against him is that he keeps horses in a pasture by the city bus station. The horses are well removed from all houses; they are maintained in a sanitary way; there is no polio in the district.

And one thing is certain. All the children around do not complain. They love the man and his horses; he is conspicuous as a friend to them. His car and his wagon are always crammed with everyone's children.

He is a crippled man. His horses are his only means of support. And they are gentle and beautiful animals.

Surely it is the duty of people who own their own homes and hold respectable positions in the community, who are responsible and thinking citizens, not to build a wall around themselves in order to make a narrow place for their lives, but to practice tolerance and good will; to uphold the honor of their town, their religion, and their hearts.

THE DOCTOR SAYS

Early Symptoms Of Polio Vary Deceptively

By EDWIN P. JORDAN, M. D.
Written for NEA Service

The most important step in combating poliomyelitis is to make the diagnosis as soon as possible so that treatment can be begun promptly. This is particularly difficult because the first symptoms often resemble those of an ordinary cold or mild infection. Paralysis does not set in for several days as a rule.

No two patients who contract polio show exactly the same symptoms. The best results from treatment, therefore, require judgment, skill, and experience in order to choose those methods best suited to the particular victim. Not only is medical care important, but good nursing, physical therapy and other treatments are necessary to get the best results.

Hospitals Well Equipped
Many hospitals are now well equipped to handle patients with polio. Much of this has been made possible by the funds made available to them through the National Foundation for Infantile Paralysis, to which so many generous-hearted citizens throughout the country have contributed.

The muscular paralysis which comes on after the first few days of the disease is accompanied by painful muscular spasms. These can be greatly relieved by hot wet packs, properly applied and by nursing care. The skin tenderness which is also so common is also helped by such treatments.

At the same time when the disease is acute every effort has to be made to keep the muscles in the best possible condition so that they will respond to the later treatments and training. Bed rest is, needless to say, important as are the other measures like plenty of fluids which are used for any infectious disease.

Medical science is constantly investigating the methods of treatment used for polio and trying to devise better ones. Several drugs and many other methods have a place in the treatment of the acute illness. As yet, however, a sure cure for all victims of the disease has not been discovered.

Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

THE DOCTOR ANSWERS

By EDWIN P. JORDAN, M. D.

QUESTION: Is it true that parents who have brown eyes cannot have a child with blue eyes?
ANSWER: This statement is not true. Many people with brown eyes carry a gene of heredity factor for blue eyes. It is thoroughly possible, and indeed has happened many times, that two brown-eyed parents will have only blue-eyed children.

Social Events

Miss Betty Enfield Honored at Shower
Mrs. William Prewitt entertained a number of friends and relatives at her home, 444 North Webster avenue, at a miscellaneous shower honoring Miss Betty Enfield, who is to be married Sept. 4.

The evening was spent in playing games. Refreshments were served. The guest of honor received a number of gifts.

Those present were Mrs. Bessie Wade, Mrs. Hattie Lewis, Mrs. Edna Enfield, Mrs. Cora Han, Mrs. Annette Curtis, Mrs. Mildred Daniel, Mrs. Mary Rodgers, Mrs. Juanita Brogan, Mrs. Dorothy Wilson, Mrs. Margaret Prewitt, Mrs. Mildred Ervin, Mrs. Mary Foster, Mrs. Maude Daniel, Mrs. Geraldine Enfield, Mrs. Dorothy Daniel, Miss Verna Daniel, Sharon Stanbaugh, Susie Kay Prewitt and Mrs. William Prewitt.

VISIT GRANDMOTHER
Mrs. Melvin W. Thomas and daughters, Judith and Susan of Chicago spent the week visiting Mrs. Thomas' grandmother, Mrs. Lela Hobbs, 228 East College avenue.

WANTED—Store space with display window in business district. Will share occupancy with other business. Box 123. Journal.

Boyle's Column

Ads On The Moon? He Might Do It!

BY ED CREAUGH
(For Hal Boyle)

New York, Aug. 22—(AP)—When a man builds a better mousetrap than his neighbor, the next thing he wants is to build a bigger mousetrap. Then a still bigger one. And, in the end, he's miserable if he hasn't built the whoppingest mousetrap ever.

Something like that has happened to Douglas Leigh.

Leigh is a boyish, soft-spoken Alabamian who has made himself a millionaire by creating those razzle-dazzle electric signs that swing, sway, hiss, rain and otherwise startle the crowds on Broadway—and elsewhere.

"Spectaculars" You've seen them, in the movies if not in the original: the Niagara of real water that roars over Times Square, 50,000 gallons a minute; the blimps that flash advertising from the sky; the giant soldier blowing giant smoke rings.

"Spectaculars," they're called. And Leigh has dreamed up the more spectacular of them. He's been nicknamed "The Lamplighter of Broadway" and "The Sign Painter of America."

So—what next? How fantastic can you get?

Let's sit down in Leigh's Rockefeller Center office and listen to a man who's as full of ideas as a boy with a new slingshot and a bag of pebbles.

"Well, there's our walking man. He'll be as tall as a seven and a half story building and it will look from the sidewalk as if he's stepping from the top of a theater right down onto Broadway."

A Real Whopper "Then there's the 175-foot sign we're doing for a bank in Minneapolis. A real whopper. They'll be able to see it for miles across the wheat fields. And tell from it what the weather's going to be."

"You know about our stork? It's going to be 220 feet long and it will fly through the air, carrying a baby. We're doing it with lights on a blimp. Won't the stork make people nervous? Like newlyweds, you mean? Oh, I suppose there will be a lot of wisecracks. . . ."

Leigh is a low-pressure talker, something remarkable in the advertising business. He's 39 and looks about 30. He also looks a mite discontented.

Why? That's where the bigger mousetrap comes in.

"For years," Leigh confesses, "I've been looking at the Empire State building longingly. Tremendous advertising possibilities. And I haven't been able to do a thing with it. . . . so far."

"Another idea I've had is to paint an insurance ad on the Rock of Gibraltar. Never really expected to do it. Still, England owns the Rock and she's hard up for dollars. I wonder. . . ."

Playfully—or so I thought—I asked if he had considered harnessing the northern lights, sometimes known as the aurora borealis, for huckstering purposes.

His gray eyes glowed. You've seen the same glow in the eyes of small boys contemplating a neighbor's pear tree.

"As a matter of fact," Leigh said, "we have something very-ry special coming up. 'Lights in the sky'—that's all I can tell you now. I wouldn't say it will be more spectacular than the northern lights, but—well, you'll see for yourself when we unveil it."

After that, I didn't dare ask if he were keeping in touch with all the rockets-to-the-moon projects, just in case. But I did put the question to one of his associates, who nodded soberly.

"If anybody gets to the moon," he said, "Doug will plant advertising signs all along the way."

Ebaugh-Stewart Nuptials To Take Place In Evanston

Lever Memorial Chapel at Sheridan Road and Hinman avenue in Evanston, Ill., will be the scene of the marriage on Saturday, Aug. 27, of Miss Roberta Jean Stewart, daughter of Mr. and Mrs. Robert Keller Stewart of Evanston, and Lt. Glenn Myron Ebaugh, son of Mrs. Glenn Ebaugh and the late Glenn Ebaugh, formerly of this city.

Both the bride-elect and her fiancé are well known here, having attended Illinois college last year. Miss Stewart was a freshman and Lt. Ebaugh was in his third year at the college.

The couple will sail for Bremerhaven, Germany, on Sept. 10, where Lt. Ebaugh is being sent for duty with the army.

To Be Wed

MISS DOROTHY TOLER

The engagement and approaching marriage of Miss Dorothy Toler to Ben H. Thornton, Jr., has been announced by Miss Tholer's mother, Mrs. Thomas Toler of Alexander. Mr. Thornton is the son of Mr. and Mrs. B. H. Thornton, Sr., of Georgetown. An August wedding is being planned.

Former Ashland Resident Bride Of Manito Man

Ashland—Miss Glenna E. DeGroot, daughter of Mrs. Marvin Mapes of Summum, formerly of Ashland, and Clifford W. Middleton, son of C. Middleton of Manito, were married Aug. 6 in a double-ring ceremony performed by Rev. Joseph Hobbs at his home in Manito.

Attending the couple were Miss Berneise Wessel of Secor and Leslie Davidson of Manito.

The bride was attired in a navy blue dress with gray accessories. Miss Wessel wore gray with blue accessories.

A wedding supper was served at the home of the bride's parents following the ceremony.

The bride is the granddaughter of Mr. and Mrs. B. W. Spears of Ashland. She was graduated from the Petersburg High school and attended Illinois State Normal University. For the past year, she taught school near Topeka, Ill.

The couple will reside on a farm near Browning, where Mr. Middleton is engaged in farming.

BPWC Members To Attend Muncy Opera Thursday

Seventy members of the Business and Professional Women's clubs will go to St. Louis Thursday evening, Aug. 25, to attend "Song of Norway" at the Municipal Opera.

The group will leave promptly at 4:30 p.m. in two chartered buses. All available space in the buses has been reserved.

The opera which the group will see features the music of Edward Grieg, with lyrics and musical adaptations by Robert Wright and George Forrest.

Arrangements for the trip are under the direction of the transportation committee, with Miss Genevieve Mount as chairman, Mrs. Eloise Galloway, Miss Thelma Bacon, Mrs. Ethel Husted, Mrs. Bernice Webster, Mrs. Irene Noudett and Mrs. Esther Sontag.

Miss Lois Wilson Becomes Bride Of Ralph Elliott

Mr. and Mrs. Leo Wilson of Merritt have announced the marriage of their daughter, Lois Aileen, to Seaman First Class Ralph Elliott, son of Mr. and Mrs. Harry Elliott of Winchester.

The wedding took place Aug. 15 in Hannibal, Mo.

The couple are now residing with Mrs. Minnie Elliott in Winchester. Seaman Elliott, who has been stationed on Guam for the past 18 months, will return to Seattle, Wash., at the conclusion of his leave.

J.H.S. Gridders Will Report To Coach Tuesday

Coach Robert Kraushaar announced Saturday that football equipment will be issued to prospective members of the Jacksonville High School grid team next Tuesday afternoon beginning at 2 o'clock.

Kraushaar urged that all boys who plan to make the team assemble at the field house at the high school athletic field at the above named hour.

WSOS MEETING

The Ebenezer W.S.O.S. will meet Thursday at 2:30 p.m. at the home of Miss Opal Kehl, 1011 West Lafayette avenue. Members are asked to note change in place of meeting.

One-eighth of the population of Alabama is composed of children between the ages of 5 and 9.

SEEKS SON'S SEAT—Unique in politics is the candidacy of Mrs. Robert Coffey, Sr., of Johnstown, Pa. She is the Democratic candidate for Congress in a special election Sept. 13. Unusual feature of Mrs. Coffey's campaign is that she seeks the post held by her son, the late Rep. Robert Coffey, who was killed in an airplane accident. Widows have been elected to fill out their husbands' terms, but this is the first time a mother seeks to succeed her son.

THE DOCTOR SAYS
Rupture Of Spinal Disk Sometimes Requires Surgery
By Edwin P. Jordan, M. D.
Written for NEA Service
One of the important causes of pain in the lower portion of the back and of the condition which is commonly called sciatica is a condition which is usually known as a rupture or hernia of an intervertebral disk.
The back or spinal column is made up of a large number of separate bones called vertebrae. There are five of these in the lower back or lumbar region. Between these bones lies a softer tissue known as cartilage. In some patients with back trouble, or sciatica, this softer cartilage is injured and degenerates. In the course of time, the degenerated cartilage may rupture between the vertebrae and produce pain.
Diagnosis Difficult
Even X-rays may not show anything immediately after the rupture has occurred. In the course of time, however, the rupture of a disk will cause a narrowing of the space between the bones of the vertebral column at the point where the rupture has occurred.
As a rule those having a first attack of pain caused by a ruptured disk should be treated conservatively. Also conservative treatment is advised for those who have mild attacks but not too often, those who are over 50 years old, and for those in whom the diagnosis is in doubt.
For patients with intolerable back pain or pain in the sciatic nerve, those who have repeated severe attacks for a long period of time, and for some others surgery may have to be considered. The operation employed in such cases may be just removal of the ruptured disk or it may include, in addition to removal of the disk, a fusion or binding together of the two vertebral bones between which the disk lies.
The recognition of the fact that ruptures of this kind can occur and can in most cases be successfully treated surgically has given relief to a great many who would otherwise have suffered for years with intolerable pain.
Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

The Martha Class of the Methodist church met Wednesday afternoon at the home of Mrs. Walter Adkins.
WANTED—Store space with display window in business district. Will share occupancy with other business. Box 123. Journal.

THE DOCTOR ANSWERS
By Edwin P. Jordan, M. D.
QUESTION: What is the cause of gray hair in a young person? Does it come from worry?
ANSWER: The most probable cause of gray hair in a young person is heredity. At least one of the parents—probably the mother—also got gray hairs early. Most doctors are skeptical about worry in youth as a cause of gray hair.
SOVIET HAS 79-YEAR-OLD FLIER
Moscow (P)—The Soviet Union has a flier who is 79 years old. V. Keburia, a Georgian, made his first trip in the air more than 40 years ago.
"Disregarding his age," said "Evening Moscow," he even now participates actively in the work of Dozav."
Dozav is the voluntary organization for assisting aviation.

Mrs. Marjorie Reiser went to Chicago Friday for a few days stay.

Rev. and Mrs. Len Faulstich and children left Friday morning for a week's vacation at Rhineland, Wisconsin.

Rev. Paul is minister of the local Christian church. Rev. E. M. Gallagher of Ashland, Ky., former pastor here, will deliver the Sunday morning sermon.

THE DOCTOR SAYS

Medical Opinion Divides On Change Of Life In Men

By Edwin P. Jordan, M. D.
Written for NEA Service

Medical opinion is divided as to whether or not there is a rapid decrease in the functioning of the sex glands in men and if so at what age it occurs.

Some authorities claim that while the activity of the male sex glands does not slow up with advancing years, it is too gradual to be a true change of life.

Others believe that at least in some men a decrease in functioning of these glands may come fairly rapidly and produce symptoms which justifies speaking of a male change of life. They believe that men go through this period somewhat later than women do—usually between 45 and 55.

Symptoms May Develop

Many men do not have any symptoms at all which can be attributed to decreased functioning of the sex glands. Some, however, describe a distinct feeling of tension with a sort of inward feeling of trembling, which is made worse by excitement or fatigue.

Some men around 50 may be restless and complain of sleeping poorly. Numbness and tingling of the hands or feet may be present. It is claimed that the memory becomes poorer and the ability to concentrate impaired. A mild feeling of depression also seems to be common.

Dizziness, palpitation of the heart, cold hands and cold feet, slight shortness of breath and sudden flushing of the face, neck and upper part of the chest are also mentioned. Easy fatigability may be present. Waning of the sexual powers, real or imaginary, frequently causes men of this age to consult their physicians.

Any of these symptoms may be the result of gradual rather than sudden change. Any of them also could come at other ages and from other causes. Also it must be remembered that many men do not

develop any of these symptoms at all.

Authorities have studied the effect of injections of the male hormone—testosterone propionate—in men complaining of such symptoms as those mentioned. The value of this is still doubtful.

Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

THE DOCTOR ANSWERS
By Edwin P. Jordan, M. D.

QUESTION: I have been drinking a quart of milk a day and since doing so have developed rheumatism in both knees and shoulder. Could milk have caused this trouble?

ANSWER: This is almost certainly a coincidence. There is no reason to believe that the drinking of milk will cause any form of rheumatism.

Chess is the most cosmopolitan of all games according to the Encyclopedia Britannica.

Cards Win To Move Into Lead As Brooks Lose To Braves 4-0

Pittsburgh, Aug. 20 — (P) — Lou Klein's ninth inning double scored the Cardinals and gave the St. Louis Cardinals a 4-3 win over the Pittsburgh Pirates today.

Howie Pollet, who relieved George Munger in the sixth, won his 16th game of the season, as against seven losses. Harry Gumbert was the loser.

The Bucs scored a run in the first but the Redbirds ganged up on Ernie Bonham in the second, got four hits and made three of them good.

When Bonham gave another hit at the start of the third he was relieved by little Vic Lombardi. Lombardi pitched that and the next four innings and allowed only one hit.

The Buccos scored another run in the fourth and knotted the count in the fifth. The score remained even-steven till the Cards made their last-ditch stand in the ninth.

Mel Hanson Wins 100-Mile Car Race At Illinois Fair

Springfield, Ill., Aug. 20 — (P) — Mel Hanson of Los Angeles won the 100-mile national championship automobile race today at the Illinois State Fair.

Hanson's time on the dirt track was one hour, eight minutes and 20.81 seconds. The race was an average of 87.88 miles per hour. His share of the \$10,500 prize money was \$2,625.

An estimated 40,000 persons saw the race.

Finishing behind Hanson were Rex Mays, Glendale, Calif., in second place; Johnny Parsons, Van Nuys, Calif., third; Bill Holland, Reading, Pa., fourth, and Lee Wialard, Altamont N.Y., fifth.

Hanson also had the best qualifying time to win the pole position. He covered one lap of the one-mile track in 37.31 seconds, averaging 93.3 miles per hour.

Chandlerville Six To Play Football

Chandlerville — High school boys interested in playing six man football this season are urged to attend a preliminary meeting at the school Monday night. Practice will begin on Aug. 25.

The following schedule has been announced:
Sept. 15—Arenzville, there.
Sept. 22—Franklin, here.
Sept. 29—Meredosa, there.
Oct. 6—Open.
Oct. 13—Routt, here.
Nov. 3—Meredosa, here.

Phillies Blast N. Y. Giants 9-3

Philadelphia, Aug. 20 — (P) — The Philadelphia Phillies exploded for seven runs in the seventh inning to-day and went on to trounce the New York Giants, 9-3. The triumph enabled the Phils to take over third place from the Polo Grounders.

Until the "lucky" seventh the Phils managed to solve lefty Monte Kennedy for only three singles. The Phils sent 12 men to bat in the seventh against Kennedy and relief pitchers Kirby Higbe and Clint Hartung.

Five singles, three walks, two errors and a wild pitch did the damage.

New York 000 110 100 — 3 7 2

TAX PURCHASER'S NOTICE
TO: Charles Jackson and The Unknown Owners of the South Half of Lot 2, Block 24, in the City Addition to Jacksonville, Morgan County, Illinois.

You are hereby notified that at a tax sale of real estate for general taxes, special assessments, interest and costs due thereon, made by Ralph R. Bourn, Sheriff and ex-officio Collector of Morgan County, Illinois, on the 19th day of January, A. D. 1948, William Norvell II purchased the following described real estate:

The South Half of Lot 2, Block 24, in the City Addition to Jacksonville, Morgan County, Illinois.

Said purchaser purchased said premises for delinquent taxes, special assessments, interest and costs thereon for ten years or more, including the years 1936 through 1946. Said above described property was assessed and taxed in the name of Charles Jackson.

The time allowed by law for the redemption of said real estate will expire January 19, 1950. Redemption may also be made after the expiration of said last mentioned date at any time up to the date when a tax deed is issued on said certificate of purchase in the manner as provided for in Section 744 of Chapter 120 of the Illinois Revised Statutes of 1945. State Bar Association Edition.

Dated at Jacksonville, Illinois, this 20th day of August, 1949.

Tom Saffell got four hits out of five times at bat but only scored on one of them—a three-bagger in the fourth.

The winning run in the ninth followed Nelson's single with one out. Joe Garagiola's walk moved him to second and Klein's two-bagger carried him on in.

The Bucs muffed plenty of scoring chances. They had men on base in every inning but the ninth. Thirteen Pirates were left stranded in the first seven innings. Twice in the game the Bucs filled the sacks without a tally.

Spain Shuts Out Bums
Boston, Aug. 20 — (P) — Left-hander Warren Spahn pitched his third shutout of the season tonight in guiding the Boston Braves to a 4-0 decision over the Brooklyn Dodgers who fell into second place in the National League, a full game behind the St. Louis Cardinals.

Spahn's victory was his 15th, as many as he won last year when the tribe battled its way to the pennant.

He was in complete control except on three occasions as he fanned six of the Brooks and walked none. He now leads the National League in strikeouts with 105.

The Braves were limited to four hits but they used them well. Jimmy Russell doubled to left in the second, moved to third on an infield out and scored as a double play just missed.

A walk to Ed Stanky, a sacrifice by Elbie Fletcher and Al Dark's timely single to left, tallied the second Boston run in the third inning.

Dark also came through with another timely single in the seventh after reliever Rex Barney had loaded the bases by walking three of the Braves. Dark's second hit drove in Connie Ryan and Spahn.

Reserved Seats For Cards-Brooks Battles Sold Out
St. Louis, Aug. 20 — (P) — Hotcakes don't sell nearly as well as tickets to Brooklyn Dodger-St. Louis Cardinals games, Redbird officials have decided.

They announced today that there are no more reserved seats left for the night game of Sept. 22 at Sportsman's park. Seats for the game the night before were sold out a week ago.

There still are some for the afternoon game between the two clubs on the 21st, however.

And for those who want to take their chances 7,000 general admission seats will go on sale the day of each game as usual.

TAX PURCHASER'S NOTICE
TO: Godert Reich and The Unknown Owners of Lots 5 and 6 to Melindy's Addition to Jacksonville, Morgan County, Illinois.

Furuhashi, Nippon Swimmer, Breaks All Swim Records

Los Angeles, Aug. 20 — (P) — Just barely 21, Hironoshin Furuhashi has become one of swimming's immortals.

You can have your Weissmullers, Crabbes, Smiths and Jany's. Those who witnessed the Japanese champion's triumphant sweep through the National AAU Men's meet will never settle for anyone but Furuhashi.

American coaches—some of whom came to scoff at the Nipponese, not believing those times made in Japan could be true — did double-takes from the moment Furuhashi and Co. hit the water in the 1500 meter preliminaries last Tuesday.

Before the Nippon University flash was through, he had nearly rewritten the record book. Here are his new world's records, subject to international approval:

He started with 18:19 in the 1500 meters, 39.8 seconds lower than the old mark by T. Amano of Japan in 1938.

Then he hit 4:33.3 in the 400 meters, 1.9 seconds under Alex Jany's standard of 1947.

The same night he broke the 400 meter mark, he anchored his Tokyo swim club team to victory in the 8:54.4, 800-meter free style relay in 8:54.4, six-tenths of a second under the U.S. Olympic team's mark last year.

US Outdistances Britain In Walker Cup Golf Matches

Mamaroneck, N.Y., Aug. 20 — (P) — Great Britain's well-laid plans for reclaiming the Walker Cup were buried today under an avalanche of American puns and birdies on Winged Foot's sunny fairways.

The "best team Britain ever put together" went down by a final score of 10-2 as it managed to salvage only one victory in today's eight concluding singles matches.

The one-sided triumph was America's 11th in the 12 times the amateur event has been played since 1922.

The two-day international test of skill between the two great golfing nations saw only one of the invaders, a balding young Englishman named Ronnie White, stand up against the ruthless efficiency of this country's sharpshooters. But for him, it would be a complete rout.

White gave the visitors their only singles victory today as he shot close to par golf in trouncing our amateur king, little Willie Turnesa, 4 and 3. He and his partner, Joe Carr of Ireland, gave Britain its other winning point by defeating Turnesa and Ray Billows in yesterday's Scotch foursomes.

White gave the visitors their only singles victory today as he shot close to par golf in trouncing our amateur king, little Willie Turnesa, 4 and 3. He and his partner, Joe Carr of Ireland, gave Britain its other winning point by defeating Turnesa and Ray Billows in yesterday's Scotch foursomes.

Award For Joe Hill

Coach Al Miller (left) of Illinois College is shown giving some advice to his former star footballer, Joe Hill, the 1947 captain at I. C., before he leaves Jacksonville to take the new coaching job at St. Charles School for Boys at St. Charles, Illinois. The new Illinois College jacket that Hill is wearing is given to the Senior letterman who graduates with his last letter. Joe Hill is from Georgetown, Ill., and was named on various all-opponent teams that I. C. met last foot ball season. He was chosen All-conference last year, he was a regular four years here. Miller is looking for more foot ball players with the ability of Joe Hill.

Junior Softball Finals To Be Held Wednesday

Jacksonville Recreational club officials have announced that the finals of the Junior Softball League will be played at the Southside park on Wednesday, the first game beginning at 7:30 p.m.

The finalists will be selected in the semi-final playoffs to be played on the Northside diamond on Tuesday. In the National league game, the Rogerson Coal squad will battle with the Trinity club, while the

Merchants and the Amvets will fight it out in the American league. The Coca Cola Juniors and the Stoners Restaurant crew will also be on deck at the finals Wednesday.

All Junior Softball league players are requested to be present at the finals and are asked to bring their parents. Awards will be made to the winning team and trophies for the first and second teams will be given immediately following the last game of the evening Wednesday.

Also at this time the Recreational club will announce plans for expanding the Junior Softball league activities come next season.

No admission will be charged at these contests.

The semi-finals will be held on Tuesday to allow the players to watch the Harlem Queens give exhibition of their softball prowess at the Northside diamond on Monday. The Queens are recognized as one of the finest girls' softball squads in the nation.

Cincinnati Whips Chicago Cubs 7-4
Cincinnati, Aug. 20 — (P) — History did a quick repeat today as Harry (Peanuts) Lowrey's eighth inning double, his third two-bagger of the game, drove in three runs to give the Cincinnati Reds a 7-4 victory over the Chicago Cubs.

The Cubs went with the same score last night with a five-run outburst in the ninth inning.

Each team used three pitchers in the fifth when which Cincinnati outpitch Chicago 16-9. The win went to Ewell Blackwell, the second of the Redleg trio.

Cincinnati 002 110 03x-7 16 1
Schmitz, Adkins (7), Muncie (8) and Scheffing, Owen (7); Vander Meer, Blackwell (7), Lively (9) and Howell, Cooper (8). WP—Blackwell. LP—Adkins.

Red Sox Down Washington 7 To 1
Washington, Aug. 20 — (P) — Boston's Red Sox disposed of some unfinished business by beating Washington, 8-4, in a continuation of a July 7 game today. Boston then polished off the Senators, 7-1, in a regular scheduled game behind the 5th pitching of Mel Parnell, who posted his 19th victory.

The two triumphs sliced New York's lead over the second place Red Sox to 3½ games, extended Washington's losing streak to 10 games and gave the senators a record of 33 defeats in their last 37 games.

Boston carried an 8-3 lead into the seventh inning of the unfinished game, ordered played to completion by William Harridge, American league president. The Senators scored the only run in today's portion of the contest when Ed Stewart tripled and Clyde Vollmer singled in the ninth inning.

Boston 010 20- 111-7 8 2
Washington 000 001 000-1 5 1
Parnell and Tebbetts; Calvert, Welther (8) and Evans. LP—Calvert.

Only three Seniors are on the 1949 Illinois College football roster. Captain Don Longer, Sam and Jim Spink are the seniors on the squad this year. Tip Collier, fullback for Coach Glenn C. Smith's Ivy loop champs last year at Pittsfield, has sent word to Coach Miller that he will enroll at I.C. this fall.

Coach Al Miller has sent letters to approximately 40 football candidates and in doing so, stated that he might have missed a few players. Any players who failed to receive these letters can contact Coach Miller anytime next week.

Ted Williams Is Striding Toward Best Year Of Life

Washington, Aug. 20 — (P) — Ted Williams is striding towards his life's ambition with the best year of his career.

The Boston slugger's big desire is to hear Red Sox manager Joe McCarthy say that he is "the greatest player he has ever managed." Originally Williams made the declaration in Sarasota, Fla., on March 1, 1948, when Marjorie he became pilot of the Boston.

"That's still my life ambition today," said Ted with a smile. McCarthy, who had such all-time greats as Lou Gehrig, Babe Ruth and Joe DiMaggio under his wing when he led the New York Yankees, is silent. But he would have to admit that Williams is having a whale of a season.

It's improbable that Williams this year will lift his present .355 batting average over the .406 mark he reached in 1941. Yet Ted has been more valuable to the Red Sox than ever before.

The left-handed slugger's average for getting on base is over the .500 mark. He's the only man in the American League as of Friday who has collected 151 hits. In addition he has drawn 125 walks—that's also more than anyone else in the league.

Combining his official times at bat, 425, and the walks he has received, 125, he has been at the plate 550 times. He's reached first base 276 times. Although he has been walked 50 times more than any other Red Sox, he has rapped out more hits.

STEVE CANYON

I TRIED TO STOP OLEY FROM FLYING THE MISSION TO RESCUE LES CANADIAN FROM THE CHINESE REBELS! OH—DOCTOR—I THOUGHT I HAD LOST MY LAST FRIEND IN THIS OUTFIT...

ON SURE—I HEARD ABOUT THAT—BUT OF COURSE YOU KNEW ALL ALONG THAT YOUR HUSBAND COULDN'T STAND TO APPEAR THE CONARD BEFORE THE OTHER PILOTS!

THAT WILL BE A DANDY STORY TO TELL IF OLEY IS LOST!

YOU CAN'T BE ANGRY WITH YOUR MAN FOR DOING HIS DUTY AS HE SEES IT, SUMMER!

BUT I CAN BE ANGRY WITH STEVE CANYON FOR ALLOWING OLEY TO GO!

PRISCILLA'S POP

HE'S A DANDY, ALL RIGHT! HOW MUCH ARE YOU ASKING FOR HIM? FIFTY CENTS!

FIFTY CENTS FOR SUCH A FINE DOG? ARE YOU SURE YOUR PARENTS DON'T MIND?

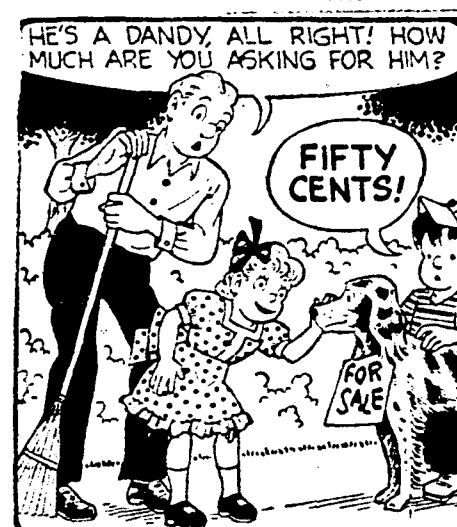

GOSH, NO! THEY DON'T CARE...

I SELL HIM LOTS OF TIMES, BUT HE ALWAYS COMES HOME AGAIN!

Middendorf, Bros., Auctioneers.

AUCTION SALE

5 miles northwest of Chapin, on large state aid gravel road. Complete furnishings of six room house. Beginning at 12:30 P.M.

Bruening Able To Go To Wife's Funeral; Returns To Passavant

A large audience of relatives and friends attended funeral services and witnessed the burial of Mrs. Bernard Bruening in a country cemetery Saturday afternoon, while an official investigation to determine the cause of her death moved forward.

The young woman's husband, Bernard, was released by his physician from Passavant hospital to attend the services, after which he returned to the hospital for further treatment. The nature of his illness, like that of his 24-year-old wife, has not been determined. But it was reported late Saturday night that he was resting comfortably.

To Wed Soon

Albert Mollenbrock, 827 W. Lafayette avenue, announces the engagement and approaching marriage of his daughter, Mary Rose, to John E. Doyle, son of Mrs. Catherine Doyle, 1135 S. Clay avenue, and the late John M. Doyle.

The wedding will take place Saturday morning, Oct. 1, in the Church of Our Saviour, Jacksonville.

Miss Mollenbrock is a graduate of Routh high school and Illinois college and attended Illinois State Normal university. For the past six years she has been a teacher at Lafayette school.

Mr. Doyle, also a graduate of Routh high school and Illinois college, served in the armed forces for four years. He is now employed by the Illinois Steel Bridge company in Jacksonville.

Royal Neighbors Hold Regular Meet At McEvers Home

Patterson—The Royal Neighbors held their regular meeting Thursday evening, Aug. 18, at the home of Mrs. Mildred McEvers, with Mrs. Maude Johnson as assistant hostess. Twenty members were present.

After the business session several games of bingo were played, with prizes awarded to the winners. Mrs. Edith Patterson received the door prize which was given by Mrs. Gertrude Springate.

Refreshments of cake and ice cream were served.

The next meeting will be held Thursday evening, Sept. 15, and the hostesses will be Mrs. Helen Bain and Mrs. Marjorie McBride.

Mr. and Mrs. Ralph Williamson and family of near Kenosha, Wis., are visiting her mother, Mrs. Jessie Dawdy and his parents, Mr. and Mrs. Harry Williamson, and other relatives.

Mrs. Alice Patterson of Jacksonville, who resided here last year, has been visiting her aunt, Mrs. Amanda Brown, and other relatives and friends the past week. She has spent the past few months in Texas with her sister, and will return there in the near future.

Mr. and Mrs. John Pringle who have been at their home here the past three weeks have returned to their work at the Alton State hospital.

Former Resident Visits This City

Mrs. George Lilla of Rockford, Ill., formerly Esther Elbert of this city, is visiting friends and relatives in Jacksonville this week. She is staying at the home of Mr. and Mrs. Hamilton Eugene Mahoney of 408 West Beecher avenue.

She was honored at a family reunion on Saturday evening. Guests included: Mr. and Mrs. Henry Kuhlman, Mr. and Mrs. Karl Schmidt, Carl Elbert, Mr. and Mrs. Darrell Elbert and family, Mrs. John Elbert, Darrell W. Elbert and his guest, Ann Goh, all of this city.

WANTED—Store space with display window in business district. Will share occupancy with other business. Box 123, Journal.

NOTICE VOTERS AREZVILLE TOWNSHIP Special election will be held Tuesday, August 23, 1949 on a Petition to Increase Tax Rate for Road and Bridge Purposes. Polls will be open from 6 AM to 5 PM.

Harold Wessler, Clerk

Canasta Cards new South American game just arrived at Maple Chest Gift Shop 217 W. State

A brief service for the young woman was held at 2:30 p. m. at the home of her mother, Mrs. Emma Westermeyer, several miles south of Bluffs. The funeral cortege then moved to St. John's Lutheran church in Bluffs, where Rev. John Rodvik officiated at final service.

Music at the church was provided by Misses Lottie Middendorf and Mrs. Emma Berger, singers, with Miss Helen Reuter, accompanist.

The floral tributes were cared for by Mrs. George Krog, Miss Agnes Westermeyer, Norma Jean Werries, Pauline Ruh, Ella Rahe and Mrs. Byron Marsh.

Casket bearers were Alvin Marsh, Marvin Kleinschmidt, Gary Bochs, William Kleinschmidt, Marvin Werries and Byron Marsh.

Burial At Neelyville Burial was made in the new cemetery at Neelyville, where Marvin Bruening, brother-in-law of Mrs. Bernard Bruening, was interred after his death July 1 which official tests disclosed was caused by arsenic poisoning.

Whether Bernard Bruening would be able to attend services for his wife was in question until Saturday morning, when he was told by his physician that he could go to the funeral and then return to the hospital, where he has been under observation and treatment since Friday.

The symptoms he developed this week are similar to those which affected his wife — soreness of the throat and stiffness in his fingers.

Four members of the Bruening family first became ill on the night of last May 22, presumably from something they ate or water they drank. Both Mr. and Mrs. Bernard Bruening were violently ill at that time, but apparently made recovery.

The cause of their illness last May was found to be arsenic poisoning, which resulted fatally for Marvin Bruening. Whether the death of Mrs. Bernard Bruening and the present illness of her husband were due to an aftermath of their first illness is unknown.

A coroner's jury of Meredosia men has been empaneled to investigate the young woman's death. An inquest will be held at Meredosia after a laboratory report of vital organs is received from Washington, D. C.

Deaths of two members of the Bruening family within two months, and illness of two others, has posed a mystery still unsolved. Morgan county authorities have worked continuously on the case since Marvin's death was found to have been due to poisoning. The family home is located on a farm between Chapin and Meredosia.

Basket Lunch Held By Adult Classes

White Hall—The combined adult classes of the Presbyterian church held a basket picnic at the Lions park on Thursday evening, with 50 in attendance.

Picnic plans were in charge of Mr. and Mrs. Ernest Roodhouse, Mr. and Mrs. Clyde Hubbard, Mr. and Mrs. James Guis. The pastor and his wife, Rev. and Mrs. Wilson, were unable to attend as Rev. Wilson is enjoying a month's vacation from his duties. Bingo was played after the supper.

Mrs. Nora Bauser Expires In Alton

Eluffs—Mrs. Nora Bauser, 57, died at Alton Friday, Aug. 19. She lived in Scott county most of her life, though for the past six years the family has resided in Alton.

She is survived by her husband, Lem, four sons and one daughter, Marvin, Richard, Ralph and Leland and Mrs. Johnny Schaeffer. Two brothers, Harry and Herman Six of Bluffs survive, along with five grandchildren.

She was a member of the Bluffs Baptist church.

Funeral services will be held Sunday afternoon at 2 o'clock at the Bluffs Baptist church and interment will be in Meredosia cemetery.

LAIR FACES COUNTY CHARGES FOR BEATING

Charges have been brought against Elisha Lair, father of a six year boy whom he admitted beat and chained in a county court information for endangering the life and health of a child. Lair remains in the county jail without bond.

Church bells are tuned by chipping the edge until the proper note is obtained.

NOTICE To all my friends and patrons. Am now located at Spencer Beauty Nook, 206 E. Court street. Phone 961. Gladys Gerdes Cook.

Notice To All Our Customers Jacksonville Motors Service Dept. will be closed for one week starting Aug. 22nd.

MORGAN GIRLS IN STATE 4-H DRESS REVUE

Mrs. Donald McNeely, Morgan county 4-H home economics club leader, lined up her five models for a final inspection just before the Muntman of Jacksonville, Wilma Pitchford of Murrayville, Bernadine Lambert of Waverly and Phyllis Cockin of Alexander.

The judges of the state wide contest awarded an "outstanding rating" to Miss Pitchford for her dress and her skill in modeling it.

Joseph R. Reynolds Receives Degree From University

Laramie, Wyo.—One resident of Jacksonville was among the 236 students receiving certificates and degrees at summer commencement exercises of the University of Wyoming, Friday night (August 19, 1949).

Joseph Franklin Reynolds, son of Everett G. Reynolds, Jacksonville, received the degree of bachelor of science from the college of liberal arts.

President G. D. Mumphrey presided as the largest summer graduating class in the history of the university received degrees. Five doctorates were presented and 74 master's degrees conferred during the evening ceremony.

Dr. Samuel Plagg Bemis, professor of diplomatic history Yale university, gave the commencement address on "The Teacher and the Cold War."

Social Events

Mrs. Willie Boston Honored At Shower Misses Ruth and Elizabeth Hem-brough were hostesses recently at a miscellaneous shower honoring Mrs. Willie Boston, the former Miss Or-lina Afrandoza of Manila, Philippines.

Games and contests were enjoyed after which refreshments were served. Mrs. Boston received many lovely gifts.

Those present were: Mrs. Willie Boston, Miss Dorothy Boston, Mrs. William Boston, Mrs. Sam Boston, Miss Elitha Boston, Mrs. Paul Black, Mrs. Frank Crawley, Mrs. Kenneth Robson, Mrs. Cecil Robson, Mrs. Richard Cox and Mrs. Wallace Hem-brough.

Mrs. William Cox, Mrs. Lester Reed, Mrs. George McKean, Mrs. William McKean, Mrs. Pat Crosson, Mrs. Everett Reynolds, Mrs. H. E. Hem-brough, Mrs. Donald McNeely, Mrs. Alice McNeely, Mrs. Roscoe Stainsforth, Mrs. Charles Williamson, Mrs. E. R. Hem-brough and the hostesses.

Those present were: Mrs. Willie Boston, Miss Dorothy Boston, Mrs. William Boston, Mrs. Sam Boston, Miss Elitha Boston, Mrs. Paul Black, Mrs. Frank Crawley, Mrs. Kenneth Robson, Mrs. Cecil Robson, Mrs. Richard Cox and Mrs. Wallace Hem-brough.

Births

A son was born at 6:13 p.m. Saturday at Passavant hospital to Mr. and Mrs. James Rawlings, route two, Franklin. Weight was 7 pounds, 2 ounces.

Amvets Will Assist Veterans To Obtain Insurance Dividend

AMVET Post No. 100 will hold an open house, Monday afternoon and night, Aug. 29th for all veterans of World War II for the purpose of distributing and assisting such veterans in completing application for special dividend on their National Service Life Insurance.

The AMVETS will have experienced personnel on hand to assist such veterans in completing their applications, or they may complete their own if they so desire. This application, although not complicated, is in the form of a three fold card; the insured will retain one-third of the card, which contains self-explanatory instructions, and after filling in his full name, service numbers, date of birth, claim number if any, insurance policy numbers, and address, he will mail the other two parts to the Veterans Administration, 2: Washington 25, D. C. where the application part will be separated and the other sent back to him to acknowledge receipt of the application. If the veteran is deceased this form will not be used. Beneficiaries currently receiving insurance payments, or who have been paid completely, will receive dividends without application.

Final plans in selecting personnel to handle the flow of work in signing up veterans for their insurance dividend will be made at the next regular meeting of AMVET post 100, next Tuesday night.

Margaret Paschal Becomes Bride Of Army Lieutenant

Virginia—On June 21 in Hawaii, Miss Margaret Jane Paschal, daughter of Major and Mrs. Merle Paschal, became the bride of Lt. Charles Ervin Lewis, son of Mr. and Mrs. A. L. Lewis.

The ceremony was performed by Major William B. Sharp, the chaplain at Fort Shafter, in the Protestant Episcopal church which was decorated with altar bouquets, cathedral candles and pew decorations.

The bride, given in marriage by Col. Charles K. McAllister, wore a floor length dress of white Chinese linen and a fingertip length veil. She carried a bouquet of white catelaya orchids with pikake streamers.

The matron of honor, Mrs. Felix Kampshroer of Honolulu, formerly of Rockford, Ill., wore a forest green linen with a head dress of green leaves and carried a bouquet of gardenias.

The little flower girl, Sandra Leonard Ransick, age three, wore a floor length white organza dress with forest green sash and carried a basket filled with gardenias.

The bridegroom's attendants were fellow officers who formed the traditional arch of sabers as the couple left the church.

Mrs. Ransick, sorority sister of the bride at Millikin, sang the Delta Delta Delta wedding hymn and the Episcopal wedding hymn.

The ceremony, which took place at 11 a. m., was followed by a wedding breakfast at the Officers' club where a heart-shaped three-tier cake was served.

For going away Mrs. Lewis wore a navy blue nylon dress with yellow accessories and a yellow centered white orchid from her wedding bouquet.

Registration Of Pupils Sept. 1-2 At Chandlerville

Chandlerville — Registration of high school students will be held at the school Thursday and Friday, Sept. 1-2. The faculty consists of K. C. Pittman, superintendent; Roy A. Sarff, mathematics and coach; Diane Rybicki, English and Spanish; John H. Hammon, commercial subjects. The agriculture instructor has not been employed. Alvin Gebhardt is the janitor.

The grade school faculty consists of W. W. Mullen, principal, Evan Garner, Mrs. Cora C. Boone, Miss Lois Friend, Mrs. Evan Garner and Miss Ruth Leeper. Charles Collins is the school janitor.

Teachers employed for the rural schools in the district include: Mrs. Marie Turner, Hickory; Mrs. Ada Livingston, Live Springs; Mrs. Herbert Johnson, Black Jack; Mrs. Ernest Brown, Daniel; Mrs. Edward Leinberger, Pontiac; Mrs. Otis Gerdes, Dick.

Flowers Displayed At Alexander Club

A beautiful display of summer flowers was held at the Alexander Woman's country club meeting recently with Mrs. Nora Roberts.

Mrs. Louise Weigand read a paper on wild flowers and a poem, "Hollyhocks," by Wayne Gard. Roll call was answered with a favorite tree.

The hostess served refreshments during the social hour. Bingo prizes were won by Mrs. Katherine Camm, Mrs. Louise Weigand, Mrs. Maude Wiley, Mrs. Josephine Walsh, Mrs. Wendall Clausen, Mrs. Grace Reiser, Mrs. Elizabeth Hermes, Miss Margaret Camm, Mrs. Beulah Roberts and Mrs. Clara Camm.

Guests included Mrs. Wendall Clausen and Miss Margaret Camm. The September meeting will be with Mrs. Ann Hermes.

MRS. J. M. MILLER NOW HOME FROM EAST

Mrs. J. Marshall Miller has returned to her home in Jacksonville after five months in the East.

Mrs. Miller visited her grandson, Dr. Marshall M. Parks, in Washington, D. C., where she underwent major surgery at Garfield hospital. Later she spent some time in Philadelphia, Penn., with her daughter, Mrs. R. H. Caperton.

Mrs. Miller returned this week by plane to Chicago. She was accompanied to this city by her daughter, Mrs. C. R. DuQuoin, who will visit here.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Ralph Coleman are announcing the engagement and approaching marriage of their daughter, Ramona Mon, to James Streenz of Bloomington.

No date has been set for the wedding.

ASHLAND POLIO VICTIM

Ashland—Mrs. Elaine Tinsley, 29, of this city, was admitted to St. John's hospital, Springfield, Thursday afternoon as a polio victim.

Native women of the poorer classes never appear without heavy veils in the streets of Sarajevo, Yugoslavia.

WANTED—Store space with display window in business district. Will share occupancy with other business. Box 123, Journal.

One Of Two Children Hit By Auto Dies At Hospital; Hold Driver

One young girl is dead and another child is in a serious condition as the result of injuries they sustained Friday afternoon at Virginia when they were struck by an automobile while crossing the main street at the southeast corner of the public square.

Patsy Lou Cave, nine years old, died at 5:25 o'clock Saturday morning at Our Saviour's hospital from head injuries.

Sherill Johnson, four years old, is under treatment at the hospital for a fractured leg, pelvis and other injuries. Her condition was pronounced good Saturday night.

The driver of the automobile was reported by Cass county authorities to be Glenn Stotts, 38-year-old resident of Beardstown, who was arrested and lodged in jail. Stotts, who is a brickmason, has been employed in Jacksonville.

A warrant charging Stotts with driving while intoxicated was sworn out in the court of Justice John Watkins, where the case was continued until Aug. 24. Bond was fixed at \$2,500, which the defendant had not furnished Saturday afternoon.

Whether more serious charges will be preferred against Stotts awaits the outcome of the inquest.

The remains were taken to the Gilliam Funeral Home in this city, and later were removed to the Massie Funeral Home at Virginia.

Inquest Monday Night Coroner C. H. Muehlhausen said an inquest will be held Monday night at 7 o'clock at the Gilliam Funeral Home. A number of Virginia residents will be called to testify.

A jury consisting of C. O. Leake, foreman; Carl Woodcock, Elliott Craft, John Baird, John Shields and Dick Vasey was sworn in Saturday morning and viewed the remains.

The little girls were felled by the automobile as they attempted to cross the street near the Virginia telephone office. After striking the children, the car is reported to have swerved into a Central Illinois Public Service truck at the side of the street.

Eddie Lee Johnson, younger brother of the Johnson girl, was walking with the girls but narrowly escaped injury.

The girls were rushed to Our Saviour's hospital in the Massie ambulance. They were attended by Dr. Harold Norris.

The Cave child's condition was pronounced extremely critical from the first. She had a compound fracture of the left leg in addition to head injuries, probably a fractured skull.

Sherill Johnson, whose condition Saturday was reported serious though not necessarily critical, suffered cuts on her scalp and face, in addition to the thigh and pelvis fractures.

Driver Swerves Car Stotts is reported to have swerved his northbound car to the left in an attempt to avoid hitting the children. Stotts' car struck the C.I.P.S. car on the left side of the street, where it had been parked by Joe Loring, maintenance man for the Virginia area.

Sheriff Long and State Patrolman Fair investigated the accident, holding Stotts for further investigation. State's Attorney Milton McClure of Cass county also questioned the driver.

Patsy Lou Cave was the daughter of Mrs. Emmett Revis of Virginia. She was born July 25, 1940, in that city.

Funeral services will be held in the Virginia Christian church Monday at 2:30 p.m. Rev. Henry Spencer of Jacksonville will officiate. The remains have been taken to the Massie Funeral Home and will remain there until time for the service.

The little girl is survived by her mother, Mrs. Emmett Revis, and two brothers, Thomas Cave and Theodore Revis.

Sherill Johnson is the daughter of Mr. and Mrs. Carl Johnson of Virginia.

Final Rites Held For E. E. Dryden

Funeral rites for Eugene E. Dryden were held Saturday at 2 p.m. at the Gilliam Funeral Home, with Rev. W. A. Gardner officiating.

Masonic rites were performed by Illini Lodge No. 4, I.O.O.F. Everett Belote was the noble grand and John Godfrey was chaplain.

Music for the services was provided by Mrs. Lois Hardin, organist. The pallbearers were Elbert Brasel, William Ashe, Paul Phelps, Charles Ebraus, Everett Long and Dwight Green.

Burial was in Richwoods cemetery, near Roodhouse.

White Hall Club Meets Wednesday

White Hall—The Lions club met in regular session on Wednesday night at the Griswold cafe with 60 members present. Mrs. Marian Broberg, Virgil Ewens and Harrison Haynes well known masters of the piano, electric guitar and trumpet respectively, entertained the guests with several numbers.

Two new members have been added to the Lions club roster, and J. Chumley, one of the new members was introduced.

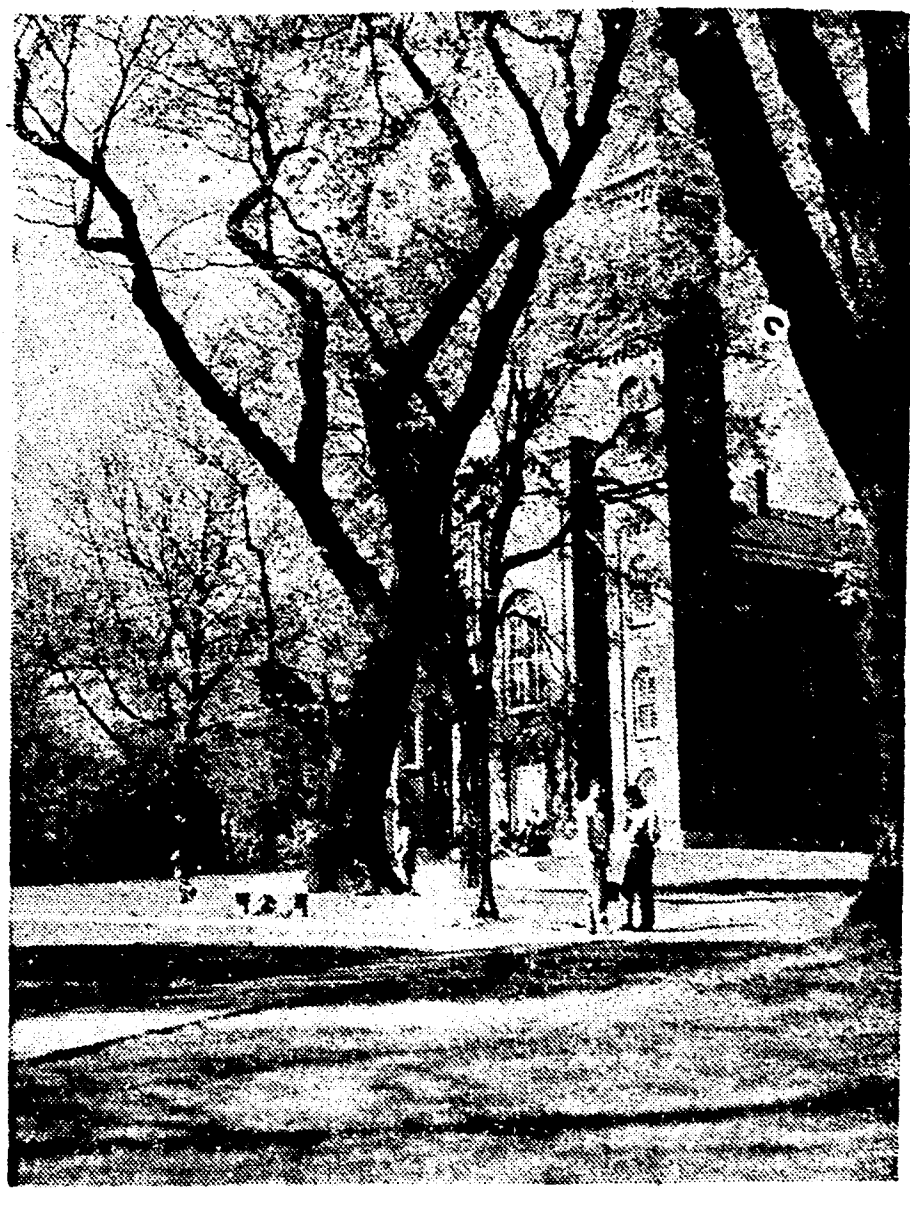

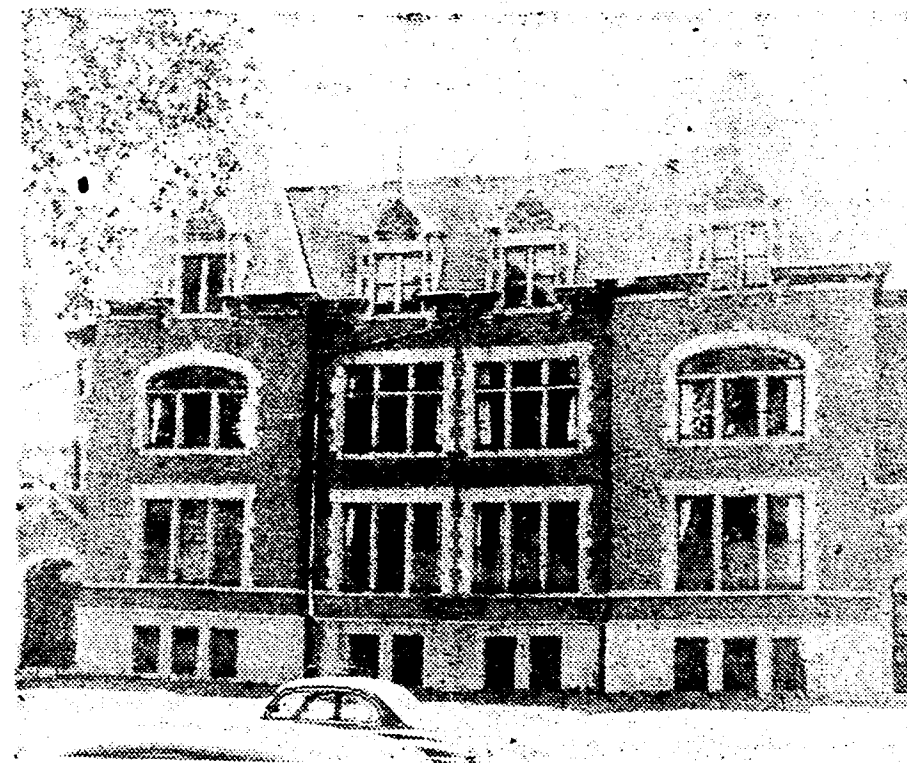

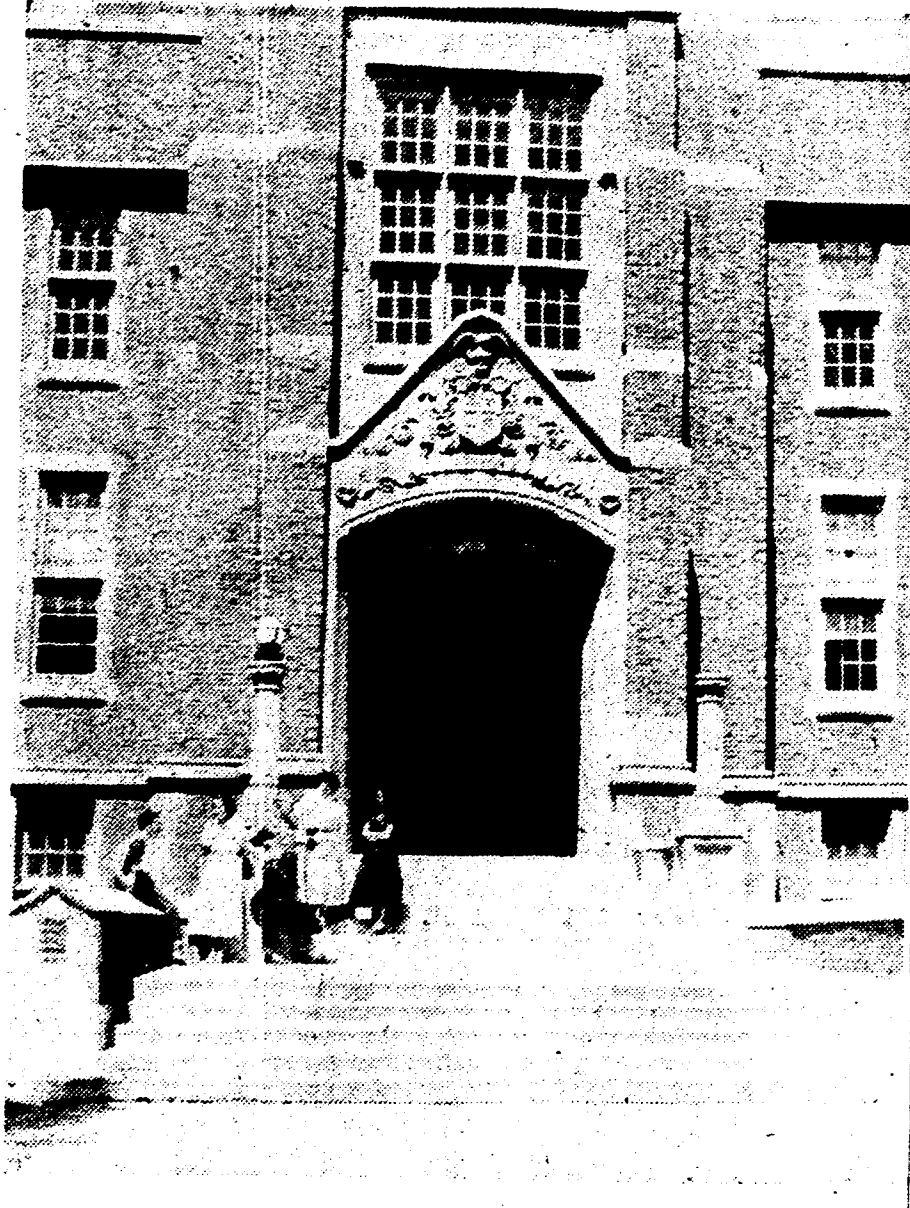

One guest, Maynard Long of Hillsboro, Ill., was present with Dwight Concord.

FOR SALE Table and canning tomatoes, watermelons, sweet corn (20c dozen). Victory Market, 502 S. East. Tomato King.

Manchester Old Cemetery Benefit Wed. Aug. 24. Fish and Beef Dinners. Burgoo. Bingo. Entertainment.

Notice To All Our Customers Jacksonville Motors Service Dept. will be closed for one week starting Aug. 22nd.

Girls From 24 States, Five Foreign Nations To Attend MacMurray

MacMurray College will open to freshmen students on Monday, Sept. 12 when beginning students from 24 states and five foreign countries will arrive in Jacksonville. Freshmen will arrive three days before the returning upperclass students to engage in a series of tests. This orientation period will help the freshmen adjust themselves to college life before the actual classes begin.

The college program for the year will open with a faculty conference on Friday and Saturday, Sept. 9-10. At this series of meetings plans for the year will be discussed and reports will be made by various members of the faculty on proposed changes in the curriculum and in the plan of operation of the college.

On Saturday, Sept. 10, about 60 upperclass students will arrive on the campus for the initial meeting of the Freshmen counselors. Each of these counselors will have five or six freshmen girls assigned to them and they will aid their freshmen counselees not only during the orientation week, but also throughout the entire freshman year. The Freshman counselors will hold meetings both morning and afternoon on Saturday, and will meet again on

Sunday morning. They will then be prepared for the arrival of the Freshmen which will start about noon Sunday.

Freshmen Tests Sept. 12
All freshmen will arrive before 9 o'clock Monday. At 9:15 a series of special tests will be given to students interested in continuing their study of Spanish, shorthand and typewriting. At 10:30 President McClelland will extend a welcome to the Freshmen and their parents and at 11:00 the freshmen will hold a meeting with their upperclass counselors. In the afternoon of the first day orientation tests will be given to all new students and in the evening the Faculty Reception for new students will be held.

On Tuesday the Freshmen will spend the day taking physical examinations and registering. The final Freshman registration will be completed on Wednesday morning.

Convocation Sept. 14
Upperclass students will arrive on the campus on Wednesday. In the afternoon they will complete their registration. At 7:30 the entire student body will meet in the Grace church for the opening College Convocation.

Thursday and Friday will be the days when classes are started. Short classes will be held in the morning of both days and the afternoons will be given over to orientation tests for all new students.

Foreign Students To Attend
Students from five foreign countries will attend MacMurray College this year. Two students will come from Korea, and one each from China, Austria, France and Mexico.

Beatrice Bautista, a native of Mexico, will attend as a student and assist Dr. Margaret Moore in the Spanish department. Marie-Caroline de la Paumelle of France will complete her college work and assist Miss Beatrice Teague in the French department. Miss de la Paumelle will assist French students with their pronunciation of the language and will serve as head of a table in the dining hall where French is spoken exclusively.

To Complete Chapel
Students at MacMurray College during the present year will have the privilege of being the first group to use the new Annie Mermer Chapel. At the present time it appears certain that the chapel will be ready for occupation sometime during the present college year. The chapel will have the appearance of new desks. Sixty new movable type desks have been installed for the upper grades.

Jacksonville has been called the Athens of the West several times and perhaps for good reason. For in its boundaries are educational facilities adequate to prepare its sons and daughters, and those of far away communities, for life time jobs.

Shown above, left to right, are four scenes from schools in Jacksonville that will soon begin to hum with activity. On the left is Jacksonville high school, with students talking on the steps.

Next is a scene from one of MacMurray College's social functions. Those pictured from left to right are Nancy Wheeler, Springfield; Joan Shade, Pekin; Vivian Lynch, Maywood; Mary Ellen Potter, Hightstown, New Jersey; Kitty Lockridge, Marshal, Mo.; and Ruth Hadaba, Berwyn.

Next is Routt high school Catholic parochial school and on the far right is the campus at Illinois college with Sturtevant Hall in the background.

Schools throughout Morgan and adjoining counties are about ready to take on the burdens of the school year. In this special issue progress reports are printed of these schools. Most have hired additional teachers to handle increased student loads. And almost without exception, plant improvement has taken place during the summer. Most of the county

schools have blacktopped their playgrounds to provide basketball facilities. Many have remodeled cafeterias, and made other improvements which will make the life of the student a happier one.

In the meantime, Jacksonville colleges are building new buildings to handle increased loads. MacMurray recently completed a new dormitory and is building a new chapel. Illinois College has announced plans to begin work on its gymnasium.

The public school buildings throughout the city are recognized as the best in the middle west and compare favorably with those of any city in the United States.

Routt and Salem Lutheran parochial schools have up to date system and offer well rounded academic programs to their students.

It has been said that Jacksonville is a different place when school begins. For with the influx of students activity increases four-fold on all fronts. Authors, musicians, and men of letters come here to lecture to student groups, and the schools have thrown these open to all interested residents. Athletic contests draw the interest of many in the community who follow favorite teams season after season and pack gyms and football fields to watch them battle out rivalries.

Superintendent Of Bluffs Schools Says Few Changes

Bluffs—There are a few changes in the teaching staff according to a statement made by O. C. Thomas, superintendent of the Bluffs Schools.

The first grade will be taught by Mrs. Helen Mains Grimes; second by Miss Marjorie Kopp; third by Mrs. Isabelle Krens; fourth by Miss Dorothy Cox; fifth grade home room by Mrs. Jesse Fredericks who was in the Merced school system last year. Mrs. Ruby Bridgman will be the sixth grade home room teacher with Miss Norma Adams having the seventh grade and Mrs. Margaret Hatfield in the eighth grade. Mrs. Hatfield is also the elementary supervisor.

In the high school department Miss Verna Brockhouse will have girls' physical education, Spanish and biological science. Miss Fay Kern will again teach all commercial work including shorthand I and II and bookkeeping. Harold Hillman of Pittsburg has been hired to be coach, have boys' physical education and social science. Virgil Coughlin will again teach three classes in agriculture and also general science.

Mrs. Helen Ruckman will teach three classes in home economics and probably a home economics class for upper class boys. George Kroes returns to teach chemistry, algebra, practical mathematics and advanced athletics. An English and music teacher is still needed. Melvin Dahlhaus is band director for both grade and high. Mr. Thomas will teach some English, probably and driver training.

Three country schools in the Bluffs area have closed and those pupils will be attending Bluffs schools. They are Oxville, Campbell Hollow and Scott county drainage. Naples is still open with Mrs. C. G. Evans as the teacher and Bloomfield with Mrs. Louella Vandewater teaching there.

Mr. Thomas announced a teachers' meeting for 1 p.m. Friday afternoon, August 26. High school registration will be the opening day of school. Anyone coming into the school office will be met by Mrs. Helen Smith who has been the secretary for the past several years.

School will officially open August 29 at 9 o'clock with the buses making the routes. The hot lunch room will open August 30 with Mrs. Etta Brockhouse and Mrs. Leticia Cox returning as the cooks.

The bus drivers are the same as last year. James Baird, Iverson Little, Donald Mullen and James Chance.

The school janitor is Wayne Masterson who has held that position for the past several years.

M. F. Fulmer, Scott county school administrator plans an open house for all interested persons in the school sometime during the first month of school so that all might become acquainted with the present school system. Announcement of the exact date will be made later.

City's Public Schools To Open Doors Sept. 1

Thursday, Sept. 1
Opening Date For Virginia Schools

Virginia—Schools of the Virginia Community Unit School District No. 64 will open on Thursday, Sept. 1, beginning at 9 a.m. Book lists and information will be given to the pupils at this time. They will be dismissed at 10:30 a.m. School will be resumed Friday, until 2 p.m. with instructions not to report back until Tuesday as Monday is Labor Day. This applies to all elementary and high school pupils in the district regardless of their attendance unit.

High school pupils who have not registered will report to the history room Thursday morning, Sept. 1. The faculty has some new faces this year and is complete except for a band instructor. Several applications have been received and one will be employed soon.

Elfré L. Myers is the newly appointed superintendent of the district, succeeding J. Benjamin Walrich who has moved to Dearyan. Mr. Myers was the principal of the Dearyan high school in Sangamon county for the past five years. Russell Fetter was appointed principal of the grade schools in the Virginia unit. Formerly, he had been principal of the Illinois State Normal University.

Other new teachers on the faculty are Mrs. Mildred Myers, history and speech; Miss Comfrey, reading and physical education in the upper grades; and Mrs. Lee Tanner, third grade teacher.

All the rural schools in the district have been closed. Decatur, Philadelphia, Oregon, Mt. Pleasant, Miss Defrantes, Union, Mrs. Eva Brannan, and Bethlehem, Miss Celia Ann Greenwood.

The teachers in the rural schools are: Philadelphia, Mrs. Ploveright; Oregon, Miss Kern; Mt. Pleasant, Miss Defrantes; Union, Mrs. Eva Brannan; and Bethlehem, Miss Celia Ann Greenwood.

All Scott County Schools To Reopen Soon For Half Day

Winchester—Scott county schools will reopen Monday, Aug. 29, when all thirteen school buses will make their regular runs. Scott county students will attend for only half the day, however, and commence their regular class schedule on Tuesday, Sept. 30.

County Unit Supervisor M. F. Fuller stated that all building repairs have been completed, teachers have been hired, and all is in readiness for a successful school year. Out of 65 teaching positions in the county system, only six vacancies had to be filled, reflecting a satisfactory turnover.

The school transportation system, consisting of a fleet of 35 buses, three of which are new, and one carry-all, will transport some 650 rural students to and from school throughout the county.

In the Winchester elementary school additional class rooms have been made available by converting the auditorium into classrooms and by making the basement area suitable for the school lunch program. Mr. Fuller stated that the elementary school building will provide ample space and facilities to take care of the enrollment and that nowhere in the county will crowded conditions prevail.

Ten less rural schools will be operated this year than in 1948-1949. There are now only nine country schools in operation. The teaching staff was completed recently with the employment of a second band director to assist Melvin Dahlhaus. Robert Egner of St. Louis will handle the band work at Aley and Manchester grade schools in addition to his Winchester high school duties. Mr. Dahlhaus will direct the band work at the Bluffs and Winchester grade schools and at the Bluffs high school.

Other new teachers in Winchester high school are Leroy Goodin of Bluffs, who succeeds Wayne Stenking; Miss Lucille Hendershot of Winchester who succeeds Miss Paula Coonen; E. W. Posey who replaces Howard Lester; Mrs. Mary Waters who replaces Miss Mary Lake; and Mrs. John S. Wright of Jacksonville who has been added to the faculty to teach in the commercial department.

Principal Allen H. Ligon announced Friday that Winchester high school will open at 9 a.m., Monday, Aug. 29, and that there would be no pre-school registration as this was done last spring before the end of the term. Students wishing to change their schedules will be given the opportunity during the first day of school. New students not previously registered are asked to see Principal Ligon before school starts. Office hours at the high school until school starts are from 9 a.m. to 12 noon on Monday through Friday.

VEGETARIANS SEEK MALAYAN WILDLIFE PROTECTION
Singapore—(AP)—The Malayan Vegetarian Society seeks to save this land's wild animal life by controlling exports. The society said it had been told that a large number of monkeys exported from Malaya died on ships carrying them. Also, the groups said, the one-horned rhinoceros is now practically extinct because of hunting and exports.

The society adopted a resolution asking the Singapore and Malaya Federation governments to inquire into the import and exports of wild animals and to consider desirability of imposing stricter control, if not a total ban on the trade, because of the mortality rate among exported animals.

Surprisingly, two wild animal exporters who appeared without notice at the meeting cast their votes in support of the resolution. The exporters succeeded first, however, in having the word "mortality" eliminated from before "mortality rate" in the resolution.

Illinois College To Open 121st Year With Total Enrollment 500

Illinois College will open its 121st year with registration of approximately 150 new students on Monday, Sept. 19. Total enrollment is expected to be 500 students.

Beginning this fall, the college will provide instruction in academic subjects for students in the nurses' training school of Passavant hospital. Nursing students will meet the requirements for admission to the college and will receive academic credit for the college courses. They will live at the nurses' home, and will enroll at the college for courses in chemistry and biology in the freshman year. Second year courses will include physiology and psychology.

The association between the college and the hospital has been arranged with the approval of the Illinois Board of Nursing Examiners. It is expected that the program will increase the service of both institutions to Jacksonville and the surrounding area. The construction of the new hospital building will assist in the program's development.

Expect To Complete Unit
The first unit of a new physical education building for the college is expected to be completed during the school year. This unit will consist of the main playing floor with a seating capacity of approximately 3,000 persons, the heating plant and a few auxiliary rooms. Construction is expected to begin this fall as soon as the architect's plans are approved.

Other units, to be added in the future, will contain dressing rooms, handball courts and rooms for other individual sports, and offices. The building will be adapted to the teaching of health and physical education and to the use for social affairs and other activities of students. It will serve as a memorial to Illinois college men and women in service of World War II.

Alumni Listed
Among Illinois college alumni, both living and dead, are seven who became judges of the supreme court of their states; four who became governors; two for Illinois, one for Iowa, and one for the Dakota territory; and eleven who were elected college presidents. Two were made assistant secretaries of the United States treasury, while one was assistant to the late President Roosevelt. William Jennings Bryan of the class of 1881 was secretary of state and three times the nominee of his party for the presidency.

Approximately 200 graduates have entered the medical profession, while 20 are mentioned in the "American Men of Science" directory. A large number held positions in business and industry.

The college is one of five educational institutions in Illinois to have a chapter of Phi Beta Kappa, national honorary scholastic society. The chapter was established in 1931.

21 Jacksonville Students Enter
Thirty-one new students from Jacksonville have been admitted to Illinois college for the fall term. Included in this group are six Jacksonville nursing students at Passavant hospital who will be enrolled in courses at the college under terms of a new association with the hospital nursing school, effective this fall. Ten new students have been admitted from other communities in Morgan county.

Among the girls in the Jacksonville nursing group are Barbara Bieber, Norma Jean Davenport, K. Sue Hammett, Joan Harber, Vivian Pond, and Betty Lou Walker.

Jacksonville boys entering the college are A. William Burke, Jr., Deane Cannell, Robert Carpenter, Charles Covey, Jerome Folmar, Charles Ford, C. Richard Grunty, Claude Gustine, Edward Izell, Raymond Honey.

Edward Horton, Thomas Kirkham, Jacques Jean Kozio, Edward Scott, Robert Sturm, John Wendorf, Henry Linstromberg, W. Giles McNeill.

Nursing Students Listed
Jacksonville nursing students entering the college are Edith Boston, Mary Horn, Audrey Mae Fortado, Merina Dickerson, Fatsy Ore, and C. Jo Merriman.

Other new students from Morgan county are: Alexander, Ralph Thompson; Franklin, Beatrice Ball (nursing); Martha Smith and Anne Sweet (nursing); Mercedia, James Major and Jacqueline Peters; Murrayville, Edward Lawless and Betty Summers (nursing); Waverly, David Brown and John Easbie.

ART EASBIE HOUSEWORK
Provo, Utah—(AP)—Art takes the dexterity out of housework, says Provo's artist housewife. After she was 40 and her children had grown up, Mrs. LaVie H. Earl began working with water colors. The painting brought new interests into her life. She learned to do oil painting and redecorated her china-ware, lamp shades and other furnishings.

A former school teacher, she has other artistic outlets—woodburning, sewing, floral arrangements, ceramics. And Mrs. Earl doesn't let a handicapped stop her. All the fingers on her right hand are missing.

Beet tops are more valuable as food than the beet roots themselves.

Improvements At Bluffs High, Grade Schools

Bluffs—When the megaphone type call system sounds on August 29 to bring the students of the Bluffs Elementary and Community High School system back to their classes many changes will be found in the building, both in decorations and in room arrangements and equipment.

Because of the enlarged enrollment in classes in the Elementary school the old study hall, used until 1926 as the High School room and since that time as the grade study hall has been divided into two rooms, and the old stage has been torn out. With this added room a "home room" system is being used in the sixth, seventh and eighth grades with the home-room teacher being with that class for one third of the day and the other teachers having those pupils for the remainder of the time.

New Lights
In the third grade room new experimental lighting fixtures have been installed and the room has been newly redecorated. It has been newly redecorated. It has been newly redecorated. It has been newly redecorated.

Additional drinking fountains have been added and various equipment in several of the rooms. Desk tops are being sanded so that all will have the appearance of new desks. Sixty new movable type desks have been installed for the upper grades.

Eugene V. Schmidt To Be Routt Principal

In announcing the opening of Routt College High school for Sept. 6, the Very Rev. P. F. Formaz, pastor of Our Saviour's parish, has disclosed a number of changes in the faculty of the parochial schools. Eugene Victor Schmidt of St. Louis, Mo., has been engaged for the position of principal at Routt.

Mr. Schmidt, a native of Iowa, completed his undergraduate education at the University of Ottawa in Canada, where he received his A.B. and Ph. D. degrees magna cum laude. He attended St. Louis university for his graduate work in the school of Education and administration.

Served In Navy
During the war, he enlisted in the U. S. navy and served in the office of Naval Intelligence. He received certificates in Naval Science and Oriental Languages, and attained the rank of lieutenant.

He was offered a position with the Chinese diplomatic service, but refused for personal reasons, and accepted a place on the faculty of the St. Louis language department of St. Louis university. He has been an assistant professor there since 1947, and has also acted as child psychiatrist in clinical psychology in the pediatric clinic of Desloge hospital in St. Louis.

He is married and has two children.

Four Changes
Four of the Dominican sisters who have been on the faculty at Routt for a number of years, will not return, and will be succeeded by Sister Mary Elizabeth, who for many years was Directress of Sacred Heart academy in Springfield, Sister Mary Edna, Sister Mary Mercita, and Sister Mary Angelica.

Other members of the faculty are John E. Coonen, science department; Sister Mary Thomas, librarian; Sister Mary Gertrude, business department; and Sister Thomas Aquinas, English department.

Only one change has been announced for Our Saviour's grade school. Sister Mary Eleanor, who will teach the sixth grade.

Paul Stroud has been engaged to return to Routt as coach, and will teach the sixth grade.

BEES MAKE A SWEET MESS

Gridley, Ill.—(AP)—For several years, the T. H. Benedicts knew there were bees in their home near here.

They finally discovered the bees, but not before the swarms had made a honey of a mess. Summer heat disclosed the location of the bees' nest when honey started running down from the living room ceiling. Four bushel baskets of honey and the bees were removed.

HOVING PIGEONS MAY BE IN STEW

Brixworth, England—(AP)—More than 2,000 Northamptonshire homing pigeons haven't come home, and an official of the county pigeon fanciers' federation is afraid they never will.

"We fear," says Secretary Raymond Linley, "many of them may have finished up in stewpots helping out the meat ration."

Audio Visual Program Planned For Institute

"Audio-Visual Education" will be the theme of the 1949 Morgan County Teacher's Institute to be held October 6 and 7, according to announcement made by County Supt. John C. Deem.

There also will be a one-day institute on October 6 for bus drivers, conducted by James C. Mutch, assistant superintendent of public instruction in charge of transportation. On October 7 there will be a one day institute for lunch program cooks and sponsors. This will be in charge of Stello Graff, state supervisor of the school lunch program.

Appearing on the audio-visual program will be the following: Dr. W. A. Wittich, director of Bureau of Visual Instruction, University of Wisconsin; Dr. Lewis V. Peterson, director of the Institute. They have appeared in concert, theater work and also are stars of radio.

Extension Courses Offered For Teachers

Announcement has been made by John C. Deem, Morgan county superintendent of schools, of extension courses to be offered to the teachers of Morgan and surrounding counties for the first semester of the coming school year.

The University of Illinois, Western Illinois State college, and MacMurray college are cooperating with the Morgan county teachers training program to provide the courses.

The University of Illinois will offer E464, "Current Problems in School Administration." This will be a course for graduate credit and will be open only to persons engaged in administrative school work. Dr. Van Miller will be the instructor.

Dr. R. G. Brill, also of the University of Illinois, will be the instructor for course E317, "Exceptional Children." This course is to be offered for undergraduate and graduate credit.

Health Problem
Another undergraduate course to be offered by the University is E160, "Health Problems of School Children." Professor Warren J. Huffman will be the instructor.

Audio Visual Program Planned For Institute

"Audio-Visual Education" will be the theme of the 1949 Morgan County Teacher's Institute to be held October 6 and 7, according to announcement made by County Supt. John C. Deem.

There also will be a one-day institute on October 6 for bus drivers, conducted by James C. Mutch, assistant superintendent of public instruction in charge of transportation. On October 7 there will be a one day institute for lunch program cooks and sponsors. This will be in charge of Stello Graff, state supervisor of the school lunch program.

Appearing on the audio-visual program will be the following: Dr. W. A. Wittich, director of Bureau of Visual Instruction, University of Wisconsin; Dr. Lewis V. Peterson, director of the Institute. They have appeared in concert, theater work and also are stars of radio.

A THOUGHT ON HIROSHIMA—

FOUR HUNDRED THOUSAND Americans have been killed by accidents in the United States since the atomic age burst on the world at Hiroshima four years ago—four times as many deaths as the atom bombs caused in Japan. But, as Ned H. Dearborn, president of the National Safety Council points out, the 400,000 Americans have been killed "not by the new products of genius, but by the old stupidities—accidents, the banal, needless, profitless prewar type of accidents."

Grade School At Murrayville Will Open September 6

Murrayville — The Murrayville consolidated grade school district number 45 will open on Tuesday, September 6. Registration date will be Thursday, September 1 at 9 a.m. All pupils are urged to be present on registration date in order to determine the number in each grade so that supplies and bus accommodations may be made.

All high school pupils from Murrayville are notified that registration for Jacksonville high school will be September 1 at 8 a.m. for freshmen; and September 2, same time, for upperclassmen.

School will open in Murrayville on September 6. This date was chosen to allow sufficient time for contractors to complete work on the school building.

All teaching positions have been filled with the exception of music instructor. The position will be filled, according to reliable sources, before September 1.

Murrayville will have a new principal this year, C. H. Griffith, who has filled that position at Rockbridge, Ill. for the past two years. Mr. Griffiths has taught school in Greene and Scott counties for 14 years.

No other changes have been made on the faculty. Teachers are, Miss Agnes Garvin, first grade; Miss Sula Smith, second and third; Mrs. Irene Dowland, third and fourth; Mrs. Susie Greenwalt, fifth and sixth; Carlyle Scott, seventh and eighth.

The Grade School board consists of Ball Fitzsimmons, president; Floyd Smith, clerk; David Millon, Marion Langdon, Horace Garfield, Martin Connolly, and Robert Whit-lack.

VERSAILLES

Versailles—Mr. and Mrs. Joe Taylor of Streator are the parents of a son, Joe Newton, Jr., born Tuesday, August 2, in the hospital there. He weighed 8 lb., 6 oz. Mrs. Taylor was the former Miss Wanda Sutherland and her mother, Mrs. Gus Sutherland, went to Streator Monday to assist in their care.

Mrs. George Lear and two children returned to their home in Lincoln Park, Mich., Saturday after a several weeks visit with her parents Mr. and Mrs. Gus Sutherland.

Mrs. George Ham and Irene attended a family dinner in the home of Mr. and Mrs. Fland Tedrow in New Salem, Sunday.

Rev. Ernest Dawdy of Patterson was a supper guest Wednesday of Mr. and Mrs. Archie Brockhouse and family.

Archie Brockhouse has returned to his home after two and one half months spent in Passavant hospital in Jacksonville.

"LET'S GET TO THE BOTTOM OF THIS"—Two young bathing beauties get the lowdown, way down, from Newton Perry, declaiming away at right. Shirley Anne Rhodes, center, who's "Miss Florida" and a contender for the "Miss America" title, listens with Jean Stallings, at left, during a cooling-off period at Tampa, Fla. Anyway, it's proof that Florida's bathing beauties do get in the water.

White Hall Public Schools To Begin Term August 29

White Hall—The White Hall public schools will begin their fall term August 29, according to W. A. Knoop, Jr., superintendent. Thursday, Aug. 18 all freshmen reported at the high school at 9 o'clock; Thursday Aug. 18 seniors reported from 1:30 to 3:30; Friday Aug. 19 juniors reported from 9 o'clock to 11:30, sophomores reported from 1:30 to 3:30 o'clock. Changes in personnel announced for the High School are as follows: Dick Pratt, English 1 and French; Joan Lyman, English 3 and 4; Mrs. Irene Davenport, biology and general science; Mrs. Fred Strang, art (which is a new feature in the high school). This will be the first year in White Hall high for the above teachers.

There is no change in personnel with the exception of Mrs. Frazier who is to teach the sixth grade.

The high school exterior has been painted, and the entire grade school building has been rewired, with a new gravel driveway being made.

Do Extensive Work On Buildings At Franklin Schools

Franklin—An extensive amount of repair was done on the schools in this unit during the summer. Some of the work includes painting of the outside trim of the building, plastering and painting the cafeteria, and refinishing the floors.

One of the major projects has been to place a black top surface on the adjoining playground. Basketball may now be played there.

Extensive repair and redecorating has also been done on the Franklin grade schools. A driveway has been built through the school yard to enable the school bus to unload students on the yard.

The Nortonville grade schools and the Franklin high school have received attention this summer. At the high school, the grounds have been newly landscaped. Furthermore the athletic field has been made ready for six man football. Although enrollment is expected to be larger than last year, adequate facilities are available.

NEW MALAYAN COACHES AID RACEHORSES

Kuala Lumpur, Malaya—(AP)—A new type of horse coach to provide luxury travel for racehorses has been put into service on the Malayan Railways.

The interior of the coach is kept seven degrees cooler than previous types of coaches as a result of Chengal wood capped with a shingle shingle roof of lacquered aluminum. Each coach carries twelve horses at a time. There is room for twelve attendants.

What is believed to be the earliest reference to pearls is from a Chinese manuscript of 2,350 B.C.

GEORGIAN DICTIONARY PLANNED

Moscow—(AP)—The Academy of Sciences of the Georgian Republic of the Soviet Union is issuing a definitive dictionary of the Georgian language. It was recently announced in the Tbilisi paper that this dictionary would consist of six volumes and contain 125,000 words.

The Georgian language is the principal language of the Japhetic group of tongues. It is exceedingly ancient and no languages in Europe are related to it.

TB CALLED SINGAPORE MENACE

Singapore—(AP)—The director of the Singapore Anti-Tuberculosis Association Clinic says this crown colony has the highest rate of active, positive tuberculosis of any city in the world.

Dr. G. H. Garlick described the city as "nearly saturated with the disease." He said his association puts the incidence of the ailment at 16 per cent with the dangerous age between 12 and 18 years.

BACK TO GARDEN

Santa, Calif.—(AP)—Coach Ray Penco's Santa Clara basketball squad will invade Madison Square Garden for the fourth time in a decade next Dec. 26. The Santa Clarans have won two of the three previous titles all against Nat Holman's City College five. December's foe will be new to the Broncos—Manhattan college.

In 1939, the Broncos' first appearance in Madison Square Garden, a favored CCNY team was upset 52-30. The next year Santa Clara won 49-41. Holman's crew won in 1947, by 56-47.

Capsule Aids Boon in Transit

Liquid-filled capsules offer grooming aid to travelers. The girl (above) breaks a tiny cleaning-fluid capsule sandwiched in cloth and uses the saturated pad to eradicate a stain. Another capsule releases a chemical to stop her stocking run (upper right).

By ALICIA HART
NEA Staff Writer

A plastic capsule shaped like a nice fat olive puts on a traveler's aid performance for this summer's gypsies which would make a magician turn green with envy.

Sealing in a variety of liquids to be used for removing nail polish, stopping a stocking run, erasing stains from clothing, or what-have-you, capsules are sandwiched in between two pads of gauze or flannel.

The opposite side of the small square gauze or flannel pad, which when given a squeeze breaks the capsule and saturates the material for instant application, is a heat-sealing fabric of matching size.

These liquid-filled capsule pads,

which also provide the traveler with a skin lotion, a baby oil, various medicaments and salves without adding the weight of bottles, cans, tubes or applicators to luggage, offer another advantage to the summer vacationer. She can dispose of her traveling aid after it's used and free her baggage of even the feather-light capsules which have seen her through her journey.

All that a lady-vacationer has to do, for example, when she discovers the spot of gray that strayed to her suit is to reach in her bag for a capsule pad designed to make short shrift of this problem. She squeezes the traveler's aid marked "cleaning fluid" and presto, the glaring spot is sponged off of jacket or skirt without fuss and with complete success.

Chapin Faculty Remains Same As In Former Years

In the Chapin grade school, the faculty will remain the same as last year with Clifford Hess as the principal; Mrs. Marietta Aufdenkamp, 1st and 2nd grades; Mrs. Lillian Smith, 3rd and 4th grades and music; Mrs. Rose Q. Brockhouse, 5th and 6th grades; and Miss Agnes Wilker, 7th and 8th grades.

Albert McCarty will have charge of the band program in both Chapin schools as well as the other schools in the district. A new building has been erected on the Chapin grade school grounds for the purpose of providing a kitchen and lunch room and also an additional room which can be used for classroom purposes. This building is nearing completion and it is expected that the lunch program for the students will begin with the opening of school.

In the Chapin high school, M. W. Kehart has been employed as the new principal. Mr. Kehart has many years of experience in the Pleasant Hill, Ill., high school and was superintendent of their newly organized community unit district. He is a graduate of the University of Illinois and completed his graduate work a few years ago. He has

two daughter and one son and expects to move to Chapin within the near future.

One vacancy still exists in the high school faculty, that being a girls' physical education teacher who can teach social science or mathematics classes.

The Bethel school will be the only rural school within the district in Morgan county to be in operation during the coming year. It will be taught by Mrs. Frances Smith.

The Harmony school has been closed, with the majority of the students enrolling in the Chapin grade school and the others in the Concord grade school. The building is in the process of being remodeled into a residence to provide housing for the band instructor, Albert McCarty, and his family.

Registration in all schools will be conducted during the day on Monday, August 29, from 9:00 a.m. to 4:00 p.m. All schools will open on the morning of Sept. 1 and will operate during the morning on the first day with a full schedule on the following day. Schools will be dismissed for the Labor Day holiday on Monday, Sept. 5.

Buses will be operated for the first time on Thursday, Sept. 1, and the children will be taken home at noon. Approximately the same bus routes and time schedules will be started as were used last year. Changes will be completed to accommodate new students as they are called to attention.

WORLD'S FIRST JET AIRLINER—The first and only full jet airliner in the world is the Comet. Shown here on a runway in Hatfield, England, the plane will carry 36 passengers and a crew of four. Powered by four De Havilland "Ghost" jet engines, it will fly at 40,000 feet and is said to have a cruising speed of almost 500 mph. A trip from London to Sydney, Australia, will take only 36 hours.

Patterson School Will Open Soon; Closed Labor Day

Patterson — The Patterson grade school will open Monday, August 29 for a brief session to register the students and will continue for the remainder of the week, but will be closed for Labor Day, Monday, Sept. 5.

Miss Lucille Dawdy is principal again this year and is also teacher of the primary room, having the first three grades. Miss Dawdy has held the position of primary teacher in the Patterson school for sixteen years.

Miss Ella Black, of Carrollton, will teach the intermediate grades, 4th, 5th and 6th, having held this position for 13 years.

Mrs. Olive Cotter of Hillview will begin her sixth year as teacher of the seventh and eighth grades.

High school at Patterson was discontinued last year, due to the small number of pupils to attend. School buses pick up the students and take them to White Hall and Roodhouse.

The present school building, a brick structure, was built in 1939, leaving one room of the old building on the grounds. On May 20 this year this building was put up at public auction and was bought by Charles Cowper and Paul Dawdy, to be used as building and repair purposes. The building has been torn down and moved away and the old basement has been filled in, giving more yard room for the students playground.

Last year the school participated in a little world series soft ball game, modeled after the Big League ball games, and will be conducted again this year. A supper was held for the parents at the conclusion of the games.

Parents and visitors night was also held last year, for the purpose of giving them some idea to the progress their children were making. Classes were conducted in the same manner as on each school day and special exhibits of their work were shown.

The school board consists of Myron Bushnell, Basil Dawdy, and Paul Dawdy. Hulbert Brown is school janitor.

There will be a possible enrollment of 40 pupils for the coming year.

POPE AIDS GOA SEMINARY
Goa, Portuguese India—(P)—Pope Plus XII has donated \$4,500 to the Pilar Missions in Goa to institute scholarships to poor and deserving students at the seminary. He has donated a supplementary sum of \$1,800 for the missionary house of Portuguese India.

Winchester

Winchester—Mr. and Mrs. Richard Mann are vacationing in Louisiana and Tennessee.

Mr. and Mrs. George Metzger returned recently from a visit with their son, Lucian Metzger and family, in Denver, Colo.

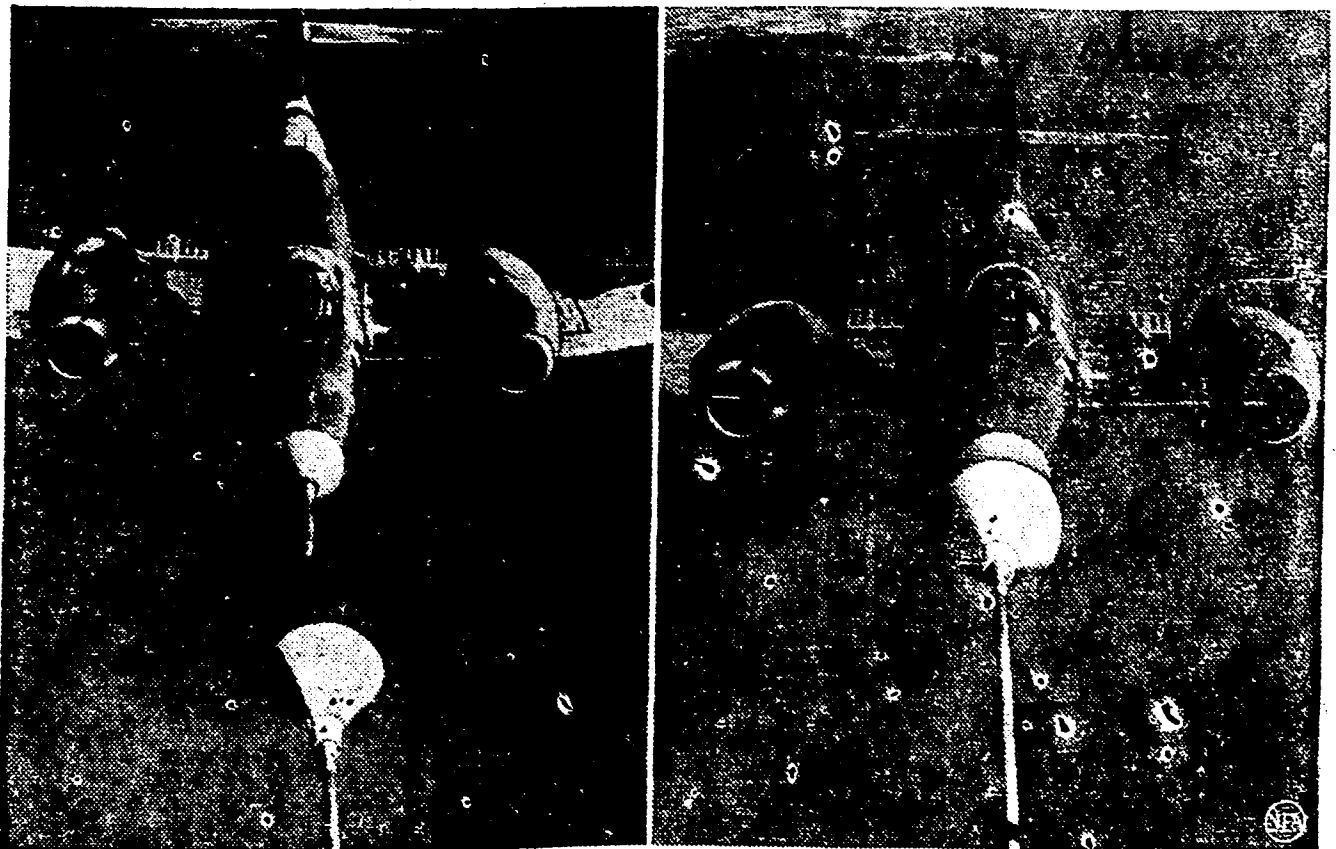

Mrs. Charles Coultas returned Wednesday from a visit with her daughter and family, Mr. and Mrs. Harold Burkhalter of Galesburg.

Mr. and Mrs. R. W. Nelson and children, Donna and Robert, and Mr. and Mrs. W. C. Robinson of Joliet are spending the week end at the home of Mr. and Mrs. W. G. Watt.

Miss Florence Lashmet returned to her home in Chicago recently after spending a two week vacation with her mother, Mrs. N. T. Lashmet and her sister, Miss Nellie Lashmet.

Mrs. William Buckley, Miss Pauline Harper, Janice and Sue Harper and Nancy Ring attended the Municipal Opera in St. Louis Thursday evening.

The Winchester Library board met Wednesday evening. Hunter Chapman and son, Tom, of Arenville, were Winchester visitors Thursday.

HOW REFUELING IS DONE—The British Meteor pilot, left above, directs the nose of his jet into the metal cone on the end of the tanker plane's refueling hose. Once the connection is made, right, the jet is ready to take on a full load of fuel while remaining in flight.

Half Day Schedule Planned First Day In Franklin Unit

Franklin—School will open September 1 here. However, only a half day schedule is planned the first day, and there will be no lunch served until the 2nd. Labor Day will be a holiday.

The rental plan will be used for all books in the grade schools and some in the high school. High school texts are being added to the rental plan as new books are adopted.

There are three cafeterias available for students located at Franklin, Alexander and Nortonville, making it possible for all students and teachers to eat at school.

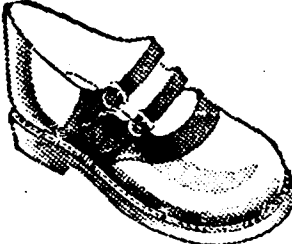

The high school faculty is as follows: Ardeen DePrates, commercial; Peggy Flynn, mathematics, English and vocal; Clarence M. Hart, science; George A. Richter, vocational agriculture; Paul Rust, social science and assistant coach; Mildred Seeman, vocational home economics; William J. Treat, mathematics and coach; and M. Ruth Tulpin, English and library.

In the Alexander grades the faculty is Thelma Daly, principal; Stella Doolin, Margaret Fitzpatrick, Harriet Milburn, Lucille Morrison, and Katherine Turner.

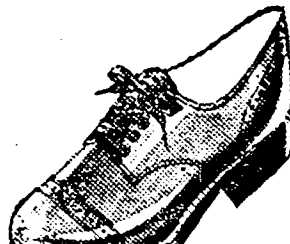

Franklin grades: Ester White, principal; Grace Armstrong, Dorothy Hickman, Jane Lonergan, Mar-

Registration To Near Seventy-Five At Concord Grades

Concord—Approximately 75 children are expected to enroll on Aug. 29, 9 a.m., 4 p.m., at Concord grade school of consolidated Unit No. 27. The school will open on Thursday, Sept. 1, and classes will be held during the morning only.

Teachers for the coming school year are Farrell McGinnis, Concord, principal and teacher of the sixth, seventh and eighth grades; Robert McAllister, Concord, former teacher of Jersey college grade school, will serve as teacher for the third, fourth, and fifth grades. The first and second grade teacher will be Miss Emma Smith, Chapin.

Special teachers for the grade school and unit also are Mrs. Nellie Peak, Beardstown, art instructor; Paul Hadden, Carthage, chorus director; Albert McCarty, band instructor. Mr. McCarty and family are to reside in the Harmony school which is being converted into a dwelling house.

The grade school ball diamond has been improved by removal of large trees and extensive grading and leveling by Joe Peck of Arenzville. The basketball diamond is to be blacktopped soon for outdoor sports. A new fence has been erected on three sides of the school in accordance with state law. Also new playground equipment has been brought into the school for recreation.

The hot lunch kitchen is well under way with a new refrigerator, electric stove, sink, lunch counter, and several cabinets. This equipment has been installed by Bowman & Knox Inc., of Beardstown. Mrs. C. O. Bayless, chief cook, Mrs. Lucille Delaney, assistant cook, have been hired by the P.T.A. in cooperation with the Board of Education. The lunches are not expected to be served until Labor Day. Other additional work inside the school building includes insulating and re-sealing of the P. E. room.

Bus drivers for the Concord area are Ted Kershaw, Raymond Owens, and Albert Brockhouse. The bus routes have not as yet been completed. Harmony students will go to Concord or Chapin, which ever is their preference.

In Mexico, Brazil and other parts of the American tropics, fireflies grow to one to two inches in length.

Every college girl knows that 1 and 1 are 2 and the sum adds up in this case to a campus ensemble. The first ingredient is an easy-to-wear jersey cardigan by Garland in stripes of grey, black and red, the second, a softly gathered skirt by Madison featuring a high-riding waistline.

Registration At New Berlin High School, August 23

New Berlin—The schools in Community unit No. 16, New Berlin, will open on August 23. Elementary registration was held at the Loami, Curran, Berlin, and New Berlin attendance centers on July 21 and 22. New Berlin high school will hold its registration on August 23. Beginning students will register from 9 a.m. till noon and upper-class students from 1:00 p.m. to 5 p.m.

Several changes have been made in personnel. J. E. Crum, of Ellsworth, will serve as superintendent of the unit. At the high school, Miss Carolyn Kirkwood, of Pontiac, will be the English and speech teacher and Miss Glen Alice Young, of Hillsboro, will be the general science and girls' P.E. instructor.

At Loami grade, Mrs. Margaret Sallee, of Springfield, will teach the third and fourth grades, and E. M. Crossin, of East St. Louis, will serve as principal and teach the eighth grade. There is a vacancy in the seventh grade.

At New Berlin grade, Ivan L. Boone, after an absence of one year, will again serve as principal and teach the seventh and eighth grades. There were no changes in the staff at Berlin and Curran. Miss Marilyn Hayes, of Kankakee, will teach both vocal and instrumental music in the four elementary centers and at the high school.

The seventh and eighth grade students in the Curran area will attend the Loami school this year.

The building at Curran has been repainted and at Loami, a new water system has been installed and the rooms have been redecorated, during the summer months. At the high school, the rooms have been redecorated and the roof repaired.

There is quite a supply of used elementary books on hand at the high school.

Glassblowers take pride in being called "blow-hards" because it is their enormous breath pressure that shapes much of the fine handmade American glassware. Cheeks of some glassblowers distend until their faces are as large as cantaloupes.

Albuquerque, N. M., founded in 1706, was named for the viceroy of New Spain, the Duke of Albuquerque, but the first "r" in the name

AS GERMANS PREPARE TO VOTE—Dr. Kurt Schumacher, leader of the Social Democratic Party, addresses a rally in Frankfurt, Germany. Campaign excitement runs high as Germans prepare to vote in the first elections since 1933.

Schools To Begin Registration Soon

Franklin — Registration for the Franklin, Alexander, and Nortonville schools will be held at Franklin high school on the following dates: Monday, Aug. 22, freshmen and sophomores, 1 to 4 p.m.; Tuesday, Aug. 23, juniors and seniors, 1 to 4 p.m. Alexander grade school at Alexander, Wednesday, Aug. 24, 1 to 4 p.m.; Franklin grade school, (at Nortonville), Friday, Aug. 26, 1 to 4 p.m.

Franklin high school, Thursday, Aug. 25, 1 to 4 p.m.; and Nortonville grade school, (at Nortonville), Friday, Aug. 26, 1 to 4 p.m.

In the 20 years after 1929, when Turkey replaced the old Arabic script with the Latin alphabet, she published 40,000 books compared to only 30,000 published during the two centuries before 1929.

Although whale oil candles went out of fashion 100 years ago, skilled American glassworkers are today making glass candleholders by hand by virtually the same methods they used a century ago.

DEPPE'S

Build Bus Garage At Alexander This Summer For School

Alexander — The Alexander consolidated grade school will register pupils for next year Wednesday, Aug. 24 from 1 to 4 p.m. Classes will begin Thursday, Sept. 1.

The faculty is as follows: first and second grades, Miss Katherine Turner; second and third grades, Mrs. Lucille Morrison; fourth and fifth grades, Mrs. Stella Doolin; sixth, seventh and eighth grades, Miss Margaret Fitzpatrick; Mrs. Harriet Milburn, and Mrs. Thelma Daly. Mrs. Daly is also principal.

Others on the school staff are Mrs. Edward Dowell, cook; and Luther Dowell, janitor.

During the summer months various improvements have been made on the school building. These include sanding of the first floor of the school building, interior painting, new window shades, cafeteria re-decoration, and blacktopping an outside basketball court.

A new bus garage has been built nearby. It is made of concrete blocks and covers an area forty by sixty feet.

Frances J. Kaiser is president of the local school board.

Alcatraz, famous U. S. prison in San Francisco Bay, is on an island which is only 1,650 feet long and rises 130 feet above sea level.

Her Russian parents, she said, were deported to the Soviet Union from Germany after the war and have disappeared.

FINNISH HOUSES

REJECTED IN AUSTRALIA

Sydney—(P)—Four ready-cut timber houses imported from Sweden and Finland likely will be sold at a loss. Landed costs was \$3,326 each for two-bedroom houses, and \$3,472 for three-bedroom houses.

Final cost of the houses including erection and Sydney suburban building site ranged from \$8,446 to \$1,960. Highest bids for the houses were \$3,876 and \$4,199. They were not sold at these prices.

The houses were imported as a trial by the East Asiatic Co. (Australia) Limited. Similar houses built in Australia cost about \$8,400 for the two-bedroom type. Most houses in Sydney are built of brick.

The Giants swept the 1922 World Series against the New York Yankees, in the first classic ever broadcast.

The first all-New York World Series (1921) was a best five-of-nine affair with the Giants winning, five games to three.

Carrollton Area Schools Changed Little This Year

Carrollton—Very little change is being made this year in the schools in the Carrollton territory as the program for consolidating and re-districting the schools in this part of the county was defeated for the second time in a vote taken this spring.

Three schools, Hopewell, Walnut Hill and Richwoods however will not open this year and their pupils will be transported to the Carrollton grade school which will open on August 29 with the required number of teachers.

Pupils in the grade school will be registered by their teachers on August 29 and pupils entering the first, fifth and ninth grades will be required to have a physical examination. The Carrollton high school will also open August 29 and at present there are still two vacancies on the teaching staff, one in English and the other in music.

Louis C. Schreier of Carlinville has recently accepted the position of instructor in science filling the vacancy caused by the resignation of Wood Reinheimer who will teach this winter at Decatur. The first teacher's meeting of the year will be held Friday, August 26, at 1:30 o'clock at which time arrangements will be completed for the opening of school.

The rural schools in this territory will open September 1. Included in this group are Centerville school, taught by Mrs. Deane Clough; Pacific Union, taught by Mrs. Mildred Volles; Elm Dale, taught by Mrs. Rosalee Cronin; Diamond, taught by Pearl Fairbach; Union, taught by Miss Myrtle Greaves; Mt. Hope, taught by Mrs. Verl Owens; Brush College, taught by Mrs. Gregg Fuller and Woody taught by Mrs. Theresa Kaffer.

The famed Lexington Trots, at Lexington, Ky., will offer more than \$340,000 in purses during its Grand Circuit harness meeting, Sept. 26-Oct. 8.

Lutheran School Been Operating 90 Years

Salem Lutheran School, at South First and Beecher, is an 8 grade parochial school supported by the members of Salem Lutheran church. Although maintained primarily for the children of members, it also admits others who have no church affiliation and may in time become members. The only tax money it uses is the state and federal school lunch money and surplus commodities allowed every child in school. It was started in January of 1859 and celebrated its 90th anniversary last Jan. Its first school was held in Fitzerberger's place. The first school proper was built on the back of the present playground in 1853. **Dedicate New Building**

Baptist Group To Hold 92nd Meeting 3 Days Next Week

White Hall—The 92nd annual district association meeting of the Sandy Creek southern Baptist association will be held at the Hillview Baptist church next Tuesday, Wednesday and Thursday.

The association is composed of 44 churches and three messengers from each church will participate in the business meetings and programs to be held Monday afternoon and evening. Only the elders of the churches and the messengers are allowed to vote in these meetings.

The regular sessions will open at 10:00 o'clock each morning and dinner and supper will be served at the church.

Rev. Roy Jerroll is host pastor and each state secretary or his assistant will speak on their particular division at appointed times during the sessions. These in charge are expecting 300 to 400 people for the meeting.

The moderator is Elder Lee E. Anderson of Roodhouse, his alternate is Elder Kenneth Day. Elder Perry E. Sherwin is clerk and treasurer and his alternate is Ebert Walkington.

In 1938 the new brick building was dedicated. In 1944 a lower room was started in the basement of the church building and a second teacher added.

The school operates with two full time teachers with the pastor also teaching a course in religion. The state's recent physical education law is in practice everyday during the school hours as part of the curriculum. Softball and basketball games with out-of-town and city teams are part of the program. The Franklin school gymnasium is rented during the winter months for basketball. For softball the school has a small all weather playground behind the school. The academy lot is used for games.

Religion Taught

Religious training itself is between the hours of 8:45 and 9:45 for grades 7 and 8 with 15 minutes less for grades 1-6. All subjects are taught on basically Christian principles, with permeate classroom and playground activities.

Enrollment is between 40 and 50. This year's registration for old and new pupils will be Friday, Sept. 2, and opening of school Sept. 6th. The school maintains rather complete audio-visual aids for daily use.

GREEKS HAD EMERGENCY RATION

San Francisco—(AP)—The Greeks used emergency rations in war 2,000 years ago, says a California Medical School bulletin. These rations were pills about the size of an olive. They were made of honey, sesame seed, opium and scilla. Scilla is a medicinal bulb used as a heart stimulant. The bulletin says the honey gave carbohydrate, the sesame protein and the opium deadened hunger pains. The Greeks gave one of these pills twice each day to soldiers and civilians in besieged cities.

TRY A CLASSIFIED AD

HE'S BUZZING OL' JACK FROST—Making a pass at 30-foot altitude over a farm in the Fairfield Valley of Idaho, this light plane churns the air to keep frost from condensing on the wheat crop below. This was one of six planes that took part in a successful experiment to keep frost from killing the crops in the 5000-foot-high valley.

W. Paul Sullivan Announces Jersey Schools Open Soon

Jerseyville, Aug. 11—(Special)—The schools of Jerseyville county will open for the 1949-50 on August 30 according to announcement by School Administrator W. Paul Sullivan, and County Superintendent, Charles H. Daniels.

All the teachers of the county will meet at 9:00 a.m. August 29 for their instructions in preparation for the opening of school the following day.

The faculty of the Jerseyville community high school and of the Jerseyville grade school will hold their sessions at their respective schools, and the teaching personnel of the rural schools will meet on

the second floor of the court house in Jerseyville.

Gus Roth, principal of Jerseyville community high school has announced that registration for students of the high school will take place during the week starting Aug. 15 from 9:00 to 12 noon and from 1:00 p.m. to 4:00 p.m. each day.

The various classes are to register on the following dates: seniors, Monday; juniors, Tuesday; sophomores, Wednesday and freshman, Thursday.

Health certificates will be required from all students who are entering the high school for the first time this fall.

A clay tablet unearthed in ruins 200 miles north of the site of Babylon and now preserved at Harvard University, is believed to be the oldest map in the world.

Manchester High School Students Go To Winchester

Manchester — The Manchester grade school will open August 29, and registration will be the same day.

Personnel for the school includes Mrs. Harmon Greenwalt, Mrs. Jess McKean, Mrs. Stanley Day, and W. S. Bowman.

During the summer various redecorating has been done in the building. A water system has been installed and the lighting system improved.

High school students will go to Winchester as they did last year. Antarctic seas are more icebergs than the Arctic.

Shakespeare Popular In Russia

Moscow (AP)—Shakespeare continues to be a popular author among the peoples of Central Asia. The paper "Soviet Art" announced recently that Hamlet had been put on at the Uzbek Theatre of Drama in Tashkent.

In Moscow when the fiftieth anni-

versary of the founding of the Moscow Art Theatre was celebrated last fall, a group of actors from Central Asia put on a scene from "The Taming of the Shrew" in their native language.

Shakespeare's plays are presented in many of the national languages of the peoples of the USSR—and of course in Russian also—in Moscow and elsewhere.

Young eels are so transparent that printed matter could be read through their bodies.

READY, WILLING AND DISABLED—Steven Meunier is only 14 months old. Yet he skates up and down the sidewalk in front of his Hollywood, Calif., home when most children his age are just learning to walk. For safety reasons, little Steve's skates, regular jail-bearing models, are riveted to his baby shoes. The only other precaution is a little extra diaper padding which his mother adds, left. Steve then rolls down the sidewalk, center, when—BOOM—that padding really comes in handy, right.

New Teachers Are Named For Jersey School District

Jerseyville, Aug. 11 — (Special) — The board of education of school district No. 100 has announced the employment of a number of teachers who are new to this district for the coming year.

Miss Betty Stanley R. N., daughter of Mr. and Mrs. Clifford Stanley of Jersey county, has been employed as county nurse, the first Jersey county has had for a number of years. She is a graduate of the school of Nursing of the Memorial

Eugene Harris, graduate of the Indiana State Teachers college, has been employed to teach classes in general science and biology at the local high school.

Mrs. Eldon Starkweather who holds a master's degree in music from the University of Illinois, and formerly taught in the Effingham schools, will teach music at the Jerseyville grade school this year. She succeeds Mrs. Kentner Rice who held that post for a number of years and resigned.

Mrs. Jane Ann Gilkes of Saugatuck, Mich. will teach the third grade at the Jerseyville grade school. She has a bachelor of arts degree and has done graduate work in the lower elementary fields. For the past four years she has taught at Saugatuck.

Darward V. Erwin has been employed as physical education in-

hospital in Alton and has practiced her profession for several years. She took special work in public health duties at St. Louis university.

Richard Tendick, son of Mrs. Gladys Tendick, of Jerseyville, who has been teaching at the high school in Carrollton the past three years, has been employed for the English department of the Jerseyville community high school. He holds an A.B. degree from Illinois college in Jacksonville and is attending Colorado State college in Greeley, Colo. this summer working toward his master's degree.

Artimesia Grob of Pocahontas, Ill. who is an experienced teacher with a masters degree, will teach the seventh and eighth grades at the Grafton school.

Clifford Eagleton, a graduate of Bradley university in Peoria, will teach Hickory log school. He has taught previously in the Jersey county schools.

H. S. Bubbs of Astoria, Ill. has been employed to teach the seventh and eighth grades at the Ottaville school.

The fierce Abipone Indians of the Gran Chaco region, Latin America, became extinct both because of battles and a peculiar custom of killing all but two children of each family, says the Encyclopedia Americana.

structure in the Grafton grade and high school and will coach athletics in both schools. Mrs. Erwin, who is an experienced teacher, has a degree in physical education from Shurtleff college in Alton.

Social science teacher at the Grafton high school this year will be Otis Ruyke, a resident of Scottsville, Ill. He has been teaching in the schools at Kilbourne, Ill.

Leroy Dean Pickett of Havana, has been employed to teach mathematics, science, and biology at the Grafton high school. He has taught the past two years in the high school at Easton, Ill.

Clifford Eagleton, a graduate of Bradley university in Peoria, will teach Hickory log school. He has taught previously in the Jersey county schools.

H. S. Bubbs of Astoria, Ill. has been employed to teach the seventh and eighth grades at the Ottaville school.

The fierce Abipone Indians of the Gran Chaco region, Latin America, became extinct both because of battles and a peculiar custom of killing all but two children of each family, says the Encyclopedia Americana.

Holiday-Taylor Reunion Is Held At Nichols Park

Bluffs—The 21st annual Holiday-Taylor reunion was held Aug. 14 at Nichols Park, with 29 persons present. A potluck dinner was enjoyed at noon.

During the short business session, the present officers were reelected for the coming year and plans were made for the meeting next year to be in the same place on the second Sunday in August.

The officers are president, Charles Williams; vice president, James Anderson; and secretary-treasurer, Helen E. Anderson. The committees appointed include historian, Elsie Adams; table, Margaret Watson, Louis Williams, Mildred Frisch, Viola Anderson and Margaret Brockhouse; and arrangements, Verne Anderson, Clyde Fitch and Frank Brockhouse.

Those present were Mrs. Elsie Adams, Mrs. and Mrs. Ulys Davidson, Mrs. Emma Anderson, Mr. and Mrs. John Anderson, Mr. and Mrs. Wilbur Williams, Mr. and Mrs. Robert Dodsworth and Ronald and Bob-

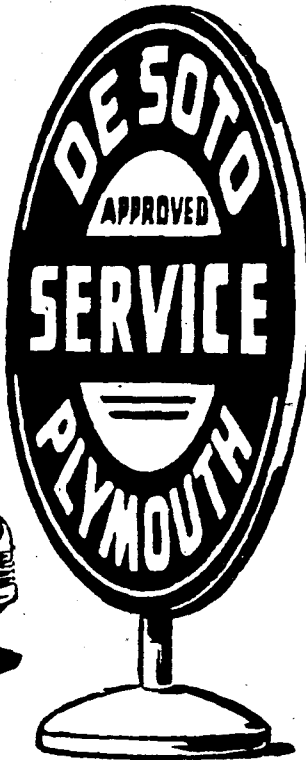

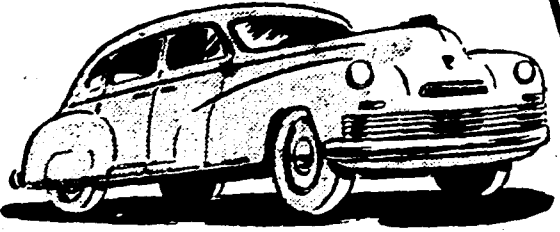

by, Mr. and Mrs. Charles Williams and son, Johnny Chaplin; Mr. and Mrs. Verne Anderson, Mr. and Mrs. Clyde Fitch, Mr. and Mrs. Jack Frisch, Mr. and Mrs. Martin Burmeister, Mrs. Estella Williams and Mrs. Jo Ross, all of Jacksonville, Clyde Williams, Mrs. Margaret Watson and Loraine and Leo Watson of Bluffs.

Aristocratic families in ancient Rome bedecked their pet moray fish with jewels.

STILL A BOY SCOUT AT 87—Par, England—(AP)—Dan Chapman believes in the motto, "Once a boy scout, always a boy scout." Dan claims to be the oldest scout in the world. He's 87. He still leads Par Troop 1 on 10-mile hikes. He founded the troop and became its scoutmaster back in 1908, the year after the scout movement itself was started.

OLD WOODSIDES—Engineers in Bloomington, Ill., designed and built this plywood iron lung for use in the local hospital. The home-made lung is made mostly of wood, but it also includes everything from auto innertubes to an alarm clock.

Hardin Brown College Trains For Business

The Hardin Brown Business College of Jacksonville will open its 83rd fall term of day classes on Tuesday, Sept. 6. Night classes will begin Thursday, Sept. 8, 1949.

D. L. Hardin, president of the school, said Saturday that more than 125 students from 12 counties in Illinois are expected to be in attendance. A large majority of them will be 1949 high school graduates. However, other colleges will be represented and there will be many veterans. During the last school year, 53 veterans attended under the GI Bill.

The Hardin Brown Business College offers the following courses: Business Administration, Executive Secretarial, Secretarial, Stenographic, Higher Accounting and Auditing, Junior Accounting, Typewriting, Dictaphone, Ediphone, Mimeographing and Comptometer.

Loan Plan Available
A student loan plan is available this year at Hardin Brown Business College for students who need financial assistance. The plan makes it possible for students to obtain their training now by paying small monthly payments while attending school and then pay the balance from their own earnings after graduation.

There are five members on the staff of the school, which occupies the entire second floor of the Armstrong Building, conveniently located uptown at the southwest corner of the Square. Staff members this year include D. L. Hardin, Tony E. Niccum, Mrs. Anita Hardin, Paula Dean and Mrs. Margaret Norvell, who is a new member of the staff this year, and will begin her duties as Director of the Secretarial Department Sept. 6, with the opening of the fall term.

Mrs. Norvell has had 12 years of Business College teaching experience and is a graduate of the The Gregg College, having won both the silver and gold medal awards for shorthand efficiency.

Modern Equipment
The equipment of H.B.B.C. includes 35 typewriters of both standard and electric models, adding machines, electric automatic mimeograph, bookkeeping machine, ediphone and comptometer in addition to modern desks and filing equipment.

Mr. Hardin reports that employment calls for graduates continue to outnumber graduates available by about two to one.

"During the last 12 months, 160 new students began courses at H.B.B.C. During that time, 300 employment calls were received by the H.B.B.C. Placement Department. The good positions go to those who prepare for them. There is no unemployment problem for trained office workers," he reported.

WHITE HALL

White Hall—Miss Martha Hubbard, who has been enjoying a three weeks vacation with her mother, Mrs. Earl Hubbard, and other relatives here from nurses training at Barnes hospital, St. Louis, goes back to the hospital on Sunday for further duty.

Misses Betty Hubbard and Pat Osborne have returned home after a two weeks visit with Mr. and Mrs. Max Hallock of Arcola, Ill.

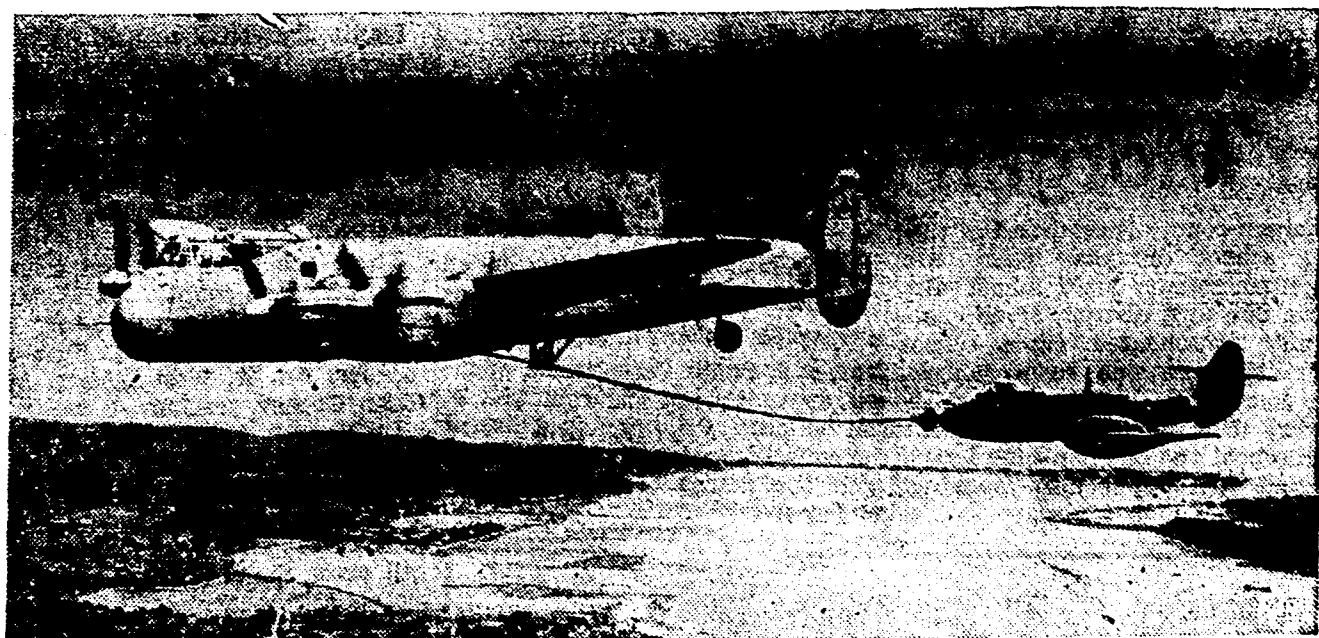

Mrs. Nora Hoskins of Riverside, Calif., who has been spending the past several weeks in Hillview, Ill., expects to return to her home on Saturday of this week.

Fred Smith, who lives at the extreme north edge of the city, was taken to Our Saviour's hospital on Tuesday of this week for medical care.

Donald C. Strang has purchased the business of the late Cleve Corde and will continue in harness repairing at the same location on East Sherman street.

Mr. and Mrs. Ward Randall and family of Chicago, visited relatives here recently for a week.

Mrs. J. M. Crowley and three children of Washington, D. C., arrived this week for a visit with her mother, Mrs. Pearl Moles, her sisters, Miss Betty, Mrs. Henry Pruitt

REVOLT HOLDS UP BURMA DEVELOPMENT

Rangoon, Burma—(AP)—Wolfram, steel, water power, lead, silver and emeralds in Karen State are doing Burma no good because of revolt and lack of capital. The Karens

revolt which started in 1948 has not stopped government surveys of the mid-eastern Burma region. But is has prevented development. The area has mines which are a major source of Wolfram. Government surveys say they have found

rich deposits of iron ore that would make good steel and that the 600-foot high Lawpita Falls could give cheap power to the whole nation. Officials say capital would be needed even after peace comes to the region, but they would not say whether foreign capital is to be sought.

16 School Districts In Morgan County

Morgan county is composed of sixteen school districts. There are three community unit school districts, one unit district, seven community consolidated grade school districts, three one room schools, one community high school transferring their pupils to Jacksonville high school and one non-high school district with pupils also attending Jacksonville high school.

All of the community consolidated grade school districts will open on September 1, with the exception of Murrayville which will begin on September 6. South Jacksonville opening depends upon the condition of the building. Following is a list of the consolidated grade schools along with the names of their superintendents:

South Jacksonville, Merle Wade; Literberry, Mrs. Lou Emma Dean; Lynnville, Mrs. Lucille Jones; North Jacksonville, Mrs. Joseph Hebron; Woodson, Oliver McIlrath; Sinclair, Mrs. Harriet Moss, principal and teacher; and Murrayville, Claude Griffith.

There are three common schools left in Morgan county. No. 63, Morton, Mrs. Ada Barton, teacher; No. 80, Elkhorn, Mrs. Mary E. Sheehan, teacher; No. 83, West Liberty, Mrs. Helen Cooney, teacher.

In Morgan county there are 271 teachers employed in the public schools. Pupil enrollment is expected to be increased from last year due to the great number of children who will enter the first grade. Approximately 5300 students will be attending public schools in Morgan county this school year. It is planned to have 25 separate hot-lunch programs. Also, forty busses are in operation.

ROODHOUSE

Roodhouse—Miss Dorothy Brown, Barrington, is the guest of Mrs. John Roberts. Miss Brown formerly taught in the local junior high school.

Mrs. Merle R. Mackey and mother, Mrs. Alma Van Doren, have returned from Dayton, Ohio, where they visited in the Roderick McClure home. They were accompanied home by Mrs. Mackey's daughter, Miss Carolyn Mackey, who had spent a week in the same home. They also visited Mr. and Mrs. Jim Cressy, Bloomington, Ind.

George Rawlins is visiting here this week from Kansas City, Mo. with his sister, Mrs. A. L. Lucas and his brother, Harry Rawlins.

Mr. and Mrs. Jack Tennill and family of Rollo, Mo. and Mr. and Mrs. Ronald Tennill of Mitchell, S.D. are guests of their parents, Mr. and Mrs. J. W. Tennill and other relatives.

At an election held Tuesday it was voted to annex school district No. 74 (Howard) to the Roodhouse community high school district No. 108 by a total poll of 89 for and 9 against.

Hal Worcester, program chairman at Rotary, Wednesday night, introduced Dr. F. Earl Walker who spoke on "Police." C. C. Hughes was a visiting Jacksonville Rotarian.

Miss Kay Broche, Chicago, is visiting in the home of her father, Arthur T. Broche.

Rev. and Mrs. P. G. Batty have returned from visiting relatives in Chicago.

Board of Education district No. 108 has employed James Beeman as driver of the east bound bus. Last year's driver was retained for the west bus.

Miss Anne Smith entertained with a slumber party of high school girls Sunday night at her home in celebration of her birthday anniversary. Present besides the hostess were: Misses Peggy Coffman, Rebecca Tennill, Sarah Allen, Marlene Brant, Peggy Wolfe, Barbara Neal, Kathleen Wilkinson, and Donna Martin.

HUNGRY FOR ATTENTION—Ruth Allanbrook, 23, of Wakefield, Mass., and Jean Paul Koume, of Strasbourg, France, want delegates to the Council of Europe to do something about the Garry Davis plan for a world federal government. To call the council's attention to their desires, the couple went on a hunger strike. They're pictured resting on blankets in the cellar of a bombed-out Strasbourg building.

Mrs. S. M. Drake, Sr., Alton, is the guest of her mother, Mrs. W. A. Jolley, Sr., and other relatives.

Honor Bluffs Man At Birthday Event

Bluffs—J. H. D. Vortman of Bluffs was guest of honor at a birthday celebration given at the home of his son-in-law and daughter, Mr. and Mrs. Ray McAllister in Meredosia. A fish dinner was served at noon and a large birthday cake with 88 candles was presented to the honored guest by his daughter, Mrs. Carl Pahlman.

Others celebrating on that day were Everett Neese and Mrs. Jim Donham. Those present included the guests of honor, Mr. and Mrs. James Baird, Mr. and Mrs. Jack Burrus, Mr. and Mrs. Robert Allen and daughter, Pam, Mr. and Mrs. Fred Vortman and daughter, Joyce, Mr. and Mrs. Carl Pahlman and daughter, Louise, Mr. and Mrs. Donald Mullen and son, Donald, Mr. and Mrs. Everett Neese and daughter, Connie, Mr. and Mrs. Ray McAllister and son Byron and Mr. and Mrs. Jim Donham.

Miss Imogene Lehman spent a week with friends in Davenport, Ia.

The swordfish has no teeth.

MANCHESTER

Manchester—Mrs. Frank A. O'Donnell of Chicago, Mrs. Dorothy Delph and daughters of California, Mrs. P. C. Frazier of Wood River, Mr. and Mrs. G. T. O'Donnell, Mr. and Mrs. Carl Hamilton and children and Mrs. Will O'Donnell, all of Jacksonville, and Mr. and Mrs. Lyndell Dieterle of Winchester were Monday evening supper guests of Mr. and Mrs. Joe Maloney.

Lyle Ballard, Manchester, and Leonard McGuire, Winchester, spent a five day vacation touring Minnesota, Wyoming, Colorado and the Dakotas.

Rev. and Mrs. G. E. Presley entertained 15 from the Baptist B. Y. Monday evening. Games and group singing were enjoyed. On Wednesday a potluck supper, with 36 present, was given in honor of Rev. Presley's birthday.

Mrs. Mary Kelly and grandson, Jack Panker, left Saturday morning for Oklahoma City, where they will visit Mr. and Mrs. Clarence Kelly and family.

Miss Imogene Lehman spent a week with friends in Davenport, Ia.

The swordfish has no teeth.

Three Carrollton Attorneys Named To Bar Committees

Carrollton—The ministers of the Baptist Methodist and Presbyterian churches are on vacation the rest of this month and there will be no services other than Sunday School in the three churches.

Dr. C. C. Benedict of the Presbyterian church has been on vacation the entire month of August and Rev. Laurel Grigg of the Baptist church and Rev. Marshall D. Uim of the Methodist church are taking the last two Sundays of the month as their vacation period.

All three churches will have a worship service the first Sunday in September. That Sunday evening marks the first of the Sunday evening services which are to be held in the Baptist church this winter.

MURRAYVILLE

Murrayville—Mr. and Mrs. M. J. Benscoter and Eugene Campbell attended commencement exercises Sunday at the University of Illinois. Miss Mary Jane Benscoter, who was a member of the graduating class, accompanied them home.

Wash Downs returned to his home Monday from White Hall hospital, where he had been a patient several days.

Mrs. Henry Simmons and daughters, Della and Ida, left Tuesday morning on a vacation trip. They plan to visit Niagara Falls and other places of interest.

Mr. and Mrs. Lawrence Dobson and son, Stevie, of Rockford, visited relatives here and in Manchester over the week end. Miss Hazel Coumbes, who had spent several weeks in Rockford, returned home with them.

Mr. and Mrs. G. W. Hamilton were dinner guests Sunday of Mr. and Mrs. Sam Dean, west of White Hall. Mr. and Mrs. N. C. Carlson of Washington, Ill., spent Saturday night and Sunday with relatives here. Sunday afternoon they attended funeral services in Roodhouse for George Nettles. They were accompanied by Mr. and Mrs. Sam Jones.

Mr. and Mrs. J. Russell Morris of Hollywood, Ill., were visitors Sunday with Mrs. Ella Jennings and daughter, Alma. They also visited Mr. and Mrs. M. J. Benscoter and Mary Jane.

GOLD STRIKE NEAR MAIN STREET
Sydney —(P)—Municipal Council workers digging holes for tree planting recently struck glittering gold at 2 feet quite close to the main street of Kelgoorlie, West Australian gold mining centre. However, they did not dig up the roads to follow the lead; the local authorities would have taken a poor view of that. Such discoveries in the town's center are not uncommon.

Daytona Beach Chill Delayed

Daytona Beach, Fla. —(P)—Old timers expecting the ocean to turn cold early in August seem to be in for disappointment.

Nearly every year, Lifeguard Captain Don Kirkwood says, the temperature drops in August if south-west winds blow. They blow the warm surface water toward the Gulf Stream, allowing sub-surface cold to rise.

The change occurs only where the beach is white and wide and is not noticed at any other beach in the south, Kirkwood says. The water is still warm, however, with little likelihood of change.

DANCER STUDIES CONGO

Leopoldville, Belgian Congo —(P)—Pearl Primus, New York dancer and student of anthropology, is now touring Central Africa. She arrived back in Leopoldville recently after a tour of the Congo. From Leopoldville Miss Primus will leave for Liberia. Her tour is sponsored by a Rosenwald foundation scholarship.

WINCHESTER

Winchester—Robert Reid and Raymond Spangler spent Tuesday at the State Fair.

J. E. Coultas and daughter, Mrs. Loretta Glossop, left Wednesday for Chicago where they will visit Mrs. Glossop's daughter, Elizabeth.

Mrs. Nina Young and Miss Nina Lee Young are visiting Charles Young in Alton.

Miss Maude Gillham entertained at a dinner party Tuesday evening in honor of Mr. and Mrs. Stanley Hamilton.

Mr. and Mrs. John Connor of Chicago are visiting Mr. and Mrs. James Woodall.

Mr. and Mrs. Verlin Summers left Wednesday with their granddaughter, Vicki, for Chicago, where they will meet their son, Tom Summers of Hollywood, Calif. Vicki will accompany her father back to their home in Hollywood.

Mr. and Mrs. Charley Chance and Mr. and Mrs. John Hepworth attended the State Fair Sunday.

Mrs. Julia Kinison, Miss Helen Kinison, Miss Jill Frank and Mrs. Edith Chaplin are spending the week in Evanston.

Mrs. Tom Danner entertained at a dessert bridge at 1:30 p.m., Wednesday.

Mrs. Lucille Coultas was hostess at a dessert bridge at her home Wednesday.

RODE 1,560,000 MILES; NEVER LEFT TOWN—You'd think a railroad conductor who has traveled 1,560,000 miles in the past 50 years would have seen a lot of country. But not R. A. ("Buck") Ewing of Cleveland, O., left above. Ewing, a yard conductor for the New York Central, logged all his mileage in the yards of Greater Cleveland. In fact, during his 50 years of travel he never left town. Supt. W. H. Leahy of Cleveland gives Ewing a gold pass in honor of his long service. The pass entitles him to ride anything that rolls on the Central. In the future, the veteran conductor plans to get around a bit.

Shirley Shewmaker Is Chosen Queen At Roodhouse

Miss Shirley Shewmaker was crowned queen of the Roodhouse Chamber of Commerce 1949 homecoming in a beauty contest held at Roodhouse Friday night.

Chosen from a group of 18 candidates, Miss Shewmaker was crowned by last year's queen, Miss Mary Lou Mayberry. The runners-up were Miss Carol Ann Davis, second, and Miss Betty June Winters, third.

James Ranson acted as master of ceremonies for the contest, which was arranged by the DeMolays and the Order of Rainbow for Girls.

The judges were Mrs. A. H. Johnson of Carrollton, Alex. Fox and Charles Ross of Alton, Lindell Hunt of Girard and Mari Kaler of the Jacksonville Journal Courier.

The contestants, all formally at-

tired, paraded around the stage before a large gathering of spectators. Last year's queen led the parade, escorted by two flower girls.

The other contestants were Marcelle Casteel, Darlene Sifton, Norma Jean Vinyard, Norma Cummings, Rosetta Northcutt, Virginia Hubener, Patricia Holmes, Joan Cardwell, Charlotte Hanlin, Sara Bailey, Carolyn Mackey, Shirley Dawdy, Margaret Henneberg, Dorothy Pollard and Shirley Deminger.

The homecoming, which has been in progress on the Roodhouse square all week, will end tonight.

Comets got their name from their long wispy or hairy-looking tails since the Latin word for hair is "coma."

MUSIC IN HIS TOES—Born without arms, 10-year-old Billy Richard of Chicago has learned to play the Hawaiian guitar with his feet. He plays so well that he was given a \$500 scholarship, awarded by the International Guitar League to outstanding students of the instrument.

Two Room Glasgow School To Begin Classes August 29

Glasgow—The two rooms of the Glasgow grade school will start their 1949-50 term on Monday, Aug. 29, conforming to the schedule recently announced by the Scott county community district No. 1, in which the local school is located.

The two teachers employed here, both local pedagogues, are Mrs. Vivian D. Smith, principal and teacher of the upper grades, and Mrs. Pauline Hester, teacher of the lower grades. Mrs. Smith will start her fifth consecutive year here, which includes two part-years, that she finished out for the late Mrs. Lora Ryder, and John P. Ward, now retired. Mrs. Hester will start her third consecutive year here as primary teacher. Mrs. Ann Lewis has been re-employed as janitor.

Last year the first six grades were taught in the local school, with the seventh and eighth grades being transported to Alsey by the school bus from Winchester. This arrangement gave the two upper grade students the privilege of using the Alsey school gymnasium, and also lessened the load on the two local teachers. The same arrangement is expected to be carried out this year.

The enrollment here last year was 29 pupils in the six grades. At this time four new beginners, or first grades are expected to start to school the coming term.

According to reports needed improvements, including the installing of a new and more adequate heating system in the Black Hills, is so plant, improvement of the classroom floors, and both interior and exterior redecorating, are being planned, but at this date have not been realized.

Zion's Neck school, west of Glasgow and one of the few remaining rural schools in this part of Scott county, will also start its new term on Monday, Aug. 29, with Mrs. Florence Young of Glasgow as teacher.

Mrs. Young has been employed in that capacity there for the past several years.

Registration Will Take Place Aug. 24 In Roodhouse

Roodhouse—The Roodhouse public schools will open Sept. 1. Registration of all who have not yet registered may be made Aug. 24 from 9 a.m. to noon. High school rental books will be issued Tuesday and Wednesday, Aug. 30-31.

Grade 5-A, previously located in Washington building will be changed to Jefferson this year. Miss Yvel-Jetta Ralston will continue to teach this grade.

Elmer Savage has been employed to assist Earl Strowmatt as custodian in the Washington building. Miss Lois Davis of Jerseyville has been employed by district 108 as commerce teacher filling the vacancy made by the resignation of Miss Alene Johnson. The high school faculty is complete but a 6th grade teacher is yet to be employed.

The face of Abraham Lincoln, sculptured into the rock of Mount Rushmore in the Black Hills, is so plant, improvement of the classroom floors, and both interior and exterior redecorating, are being planned, but at this date have not been realized.

Unit Schools At Arenzville Have Added Teachers

Arenzville—The schools in community unit school district No. 27 will have registration on Monday, Aug. 29, during the hours of 9 and 4 p.m. Schools will open and operate during the morning of Sept. 1 with a full schedule on Sept. 2. Schools will be dismissed on Monday, Sept. 5, for the Labor Day holiday.

Several new teachers have been added to the faculty in the Arenzville schools for the coming year. In the high school, Mrs. Mildred Foster has been employed to teach home economics and Miss Marilyn Hunter will teach girl's P.E. and English. Verdie Altizer of Pittsfield, has been employed to take Mr. Es-cordia's position as athletic director and teacher of social science.

In the grade school, Mrs. Janet Case of Virginia has been transferred from the Krohe school to the Arenzville school to teach the third and fourth grades.

Two new buildings are in the process of completion on the Arenzville school grounds. One is to be used for the high school home economics department and the other for a hot lunch program for the students in the Arenzville schools.

The West Point school, taught by Mrs. Ruth Brasell, is the only rural school to be in operation in Cass county within the Arenzville district during the coming term.

Busses will be operated for the first time on Thursday, Sept. 1, and air troop service between Singapore and Britain with the easing of the Berlin blockade. The service was discontinued for started as were used last year. Changes will be completed to accommodate new students as they are called to the attention of the school board.

This smart girl picks a classic cardigan by Garland, in camelitan, to wear with a contrasting pullover. Her skirt is also a camelitan fabric by Madison.

commodate new students as they are called to the attention of the school board.

BRITISH TRANSPORTS BACK IN SINGAPORE

Singapore—(P)—R.A.F. Transport Command York aircraft are back on first time on Thursday, Sept. 1, and air troop service between Singapore and Britain with the easing of the Berlin blockade. The service was discontinued for started as were used last year. Changes will be completed to accommodate new students as they are called to the attention of the school board.
